B. Professional Claims

All final requests for Professional Claims must be Filed no later than seventy-five (75) days after the Effective Date. 2. Professional Claims

The amount of Professional Claims owing to the Professionals will be paid in Cash to such Professionals by the Liquidating Trust, or at the Liquidating Trust's direction, without interest or other earnings therefrom, when such Claims are approved by the Bankruptcy Court; provided, that notwithstanding the foregoing, on the Effective Date, the Debtors shall pay (1) Centerview's full In-Court Transaction Fee (as defined in paragraph 3(b) of the engagement letter by and between Centerview and the Debtors), (2) Moelis' full Restructuring Fee (as defined in paragraph 2 of the engagement letter between Moelis and the Creditors' Committee), and (3) FTI's full Completion Fee (as defined in paragraph 3 of the addendum to the engagement letter between FTI and the Debtors, as amended); provided, further, that Centerview, Moelis, and FTI shall File final requests for Professional Claims in accordance with Section II.B.1 above.

CLASSIFICATION, TREATMENT, AND VOTING OF CLAIMS AND EQUITY INTERESTS

A. Classification of Claims and Equity Interests

Pursuant to section 1122 of the Bankruptcy Code, set forth below is a designation of Classes of Claims and Equity Interests. A Claim or Equity Interest is placed in a particular Class for the purposes of voting on the Plan and receiving distributions pursuant to the Plan only to the extent that such Claim or Equity Interest has not been paid, withdrawn or otherwise settled before (i) the Claims Record Date for voting purposes, or (ii) the time at which distributions are made with respect to such Claims or Equity Interests pursuant to the Plan for distribution purposes.

B. Record Date for Claims

As of the Claims Record Date, the transfer registers for each Class of Claims or Equity Interests (other than for publicly traded securities), as maintained by the Debtors or their agents, shall be deemed closed and there shall be no further changes made to reflect any new record holders of any such Claims or Equity Interests. The Debtors and the Liquidating Trust shall have no obligation to recognize any transfer of such Claims or Equity Interests occurring on or after the Claims Record Date.

C. Summary of Classification and Class Identification

i. Except for Claims addressed in Article II, all Claims and Equity Interests are classified in the Classes set forth in this Article III in accordance with section 1122 of the Bankruptcy Code. A Claim or Equity Interest is classified in a particular Class only to the

extent that the Claim or Equity Interest qualifies within the description of that Class and is classified in other Classes to the extent that any portion of the Claim or Equity Interest qualifies within the description of such other Classes. A Claim or Equity Interest is also classified in a particular Class for the purpose of receiving distributions pursuant to the Plan only to the extent that such Claim or Equity Interest is an Allowed Claim or Allowed Equity Interest in that Class and has not been paid, released, or otherwise satisfied prior to the Effective Date. In no event shall any holder of an Allowed Claim be entitled to receive payments under this Plan that, in the aggregate, exceed the Allowed amount of such holder's Claim.

- Although the Plan applies to all of the Debtors, (a) the Plan constitutes fiftyii. one (51) distinct chapter 11 plans, one for each Debtor; and (b) for voting purposes, each class of the Debtor Groups will contain sub-classes for each of the Debtors within a particular Debtor Group. The Plan groups the Debtors into three Debtor Groups (the ResCap Debtors, the GMACM Debtors and the RFC Debtors) solely for purposes of describing treatment under the Plan and making distributions under the Plan. Such grouping shall not affect any Debtor's status as a separate legal entity, change the organizational structure of the Debtors' business enterprise, constitute a change of control of any Debtor for any purpose, cause a merger or consolidation of any legal entities, nor cause the transfer of any assets; and, except as otherwise provided by or permitted in the Plan, all Debtors shall continue to exist as separate legal entities. For voting purposes, each Class of the Debtor Groups will contain sub-classes for each of the Debtors within a particular Debtor Group (e.g., there will be three (3) sub-Classes for each Class of the ResCap Debtors, twenty-one (21) sub-Classes for each Class of the GMACM Debtors (provided, that, in lieu of Class GS-4A, the Plan for ETS contains a sub-Class, Class GS-4B, for ETS Unsecured Claims), and twenty-seven (27) sub-Classes for each Class of the RFC Debtors, and many of the sub-Classes may be vacant). Notwithstanding the foregoing, the Plan Proponents reserve the right to seek approval of the Bankruptcy Court to consolidate any two or more Debtors for purposes of administrative convenience, provided that such consolidation does not materially and adversely impact the amount of distributions to any Person under the Plan and is in accordance with the terms of the Plan Support Agreement.
- iii. Section 1129(a)(10) of the Bankruptcy Code shall be satisfied for the purposes of Confirmation by acceptance of the Plan by an Impaired Class of Claims; provided, however, that in the event no holder of a Claim with respect to a specific Class for a particular Debtor timely submits a Ballot indicating acceptance or rejection of the Plan, such Class will be deemed to have accepted the Plan. The Plan Proponents shall seek Confirmation of the Plan pursuant to section 1129(b) of the Bankruptcy Code with respect to any rejecting Class of Claims or Equity Interests. The Plan Proponents reserve the right to modify the Plan in accordance with Article XI.A hereof, including the right to withdraw the Plan as to an individual Debtor at any time before the Effective Date.

For purposes of Bankruptcy Rule 7001(8), the Plan provides for subordination. The Plan Proponents, prior to the Effective Date, or the Liquidating Trust (and the Borrower Trust with respect to Borrower Claims), following the Effective Date, reserve the right to subordinate any Claim or Equity Interest, other than the Consenting Claimants' Allowed Claims, the NJ Carpenters Claims (assuming the NJ Carpenters Approval), the Allowed Private Securities Claims, and the Ally Contract Claims, in accordance with any contractual, legal, or equitable subordination relating thereto under the Bankruptcy Code as long as such treatment is consistent with the Plan Support Agreement. An initial list of Claims proposed to be subordinated under the Plan shall be set forth in the Plan Supplement, without prejudice to the right of the Plan Proponents or Liquidating Trust (and the Borrower Trust with respect to Borrower Claims), as the case may be, to seek to subordinate additional Claims. Subordinated Claims shall not receive a distribution under the Plan until all senior Allowed Claims are paid in full.

ARTICLE IV.

IMPLEMENTATION OF THE PLAN

A. Global Settlement

Pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, the Plan incorporates a compromise and settlement of numerous inter-Debtor, Debtor-Creditor and inter-Creditor issues designed to achieve an economic settlement of Claims against the Debtors and Ally and an efficient resolution of these Chapter 11 Cases. This Global Settlement constitutes a settlement of the potential litigation of issues including substantive consolidation, the validity and enforceability of Intercompany Balances, the allocation of the Available Assets, the amount and allocation of certain disputed Unsecured Claims, in addition to the resolution of extensive litigation, Claims, and potential Claims against Ally. The entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of each of the following compromises or settlements and all other compromises and settlements provided for herein, and the Bankruptcy Court's findings shall constitute its determination that such compromises and settlements are in the best interests of the Debtors, their Estates, Creditors, the RMBS Trusts, Investors, and other parties-in-interest, and are fair, equitable, and within the range of reasonableness. Each provision of the Global Settlement shall be deemed non-severable from each other and from the remaining terms of the Plan. As set forth in detail herein, the Global Settlement will be implemented as follows:

- b) Administrative Claims shall be allocated among the ResCap Debtors, the GMACM Debtors and the RFC Debtors in accordance with the Plan Support Agreement. Of the projected Administrative Claims of \$1,086.2 million, \$836.3 million shall be allocated to the GMACM Debtors, and \$249.8 million shall be allocated to the RFC Debtors. Any variation in the amount of the Administrative Claims above or below \$1,086.2 million shall be borne or realized by the Liquidating Trust.
- c) On the Effective Date, the Borrower Claims Trust will be funded with the Borrower Claims Trust Assets for the benefit of holders of Borrower Claims. Holders of Borrower Claims shall receive their allocated share of the Borrower Claims Trust Assets in accordance with the methodology and procedures set forth in the Borrower Claims Trust Agreement.
- d) On or as soon as practicable after the Effective Date, the Private Securities Claims Trust shall be funded with the Private Securities Claims Trust Unit Distribution, for the benefit of Private Securities Claimants. - n) Each Debtor agrees to compromise Intercompany Balances and such Claims shall not be entitled to receive any recovery under the Plan.

B. Ally Settlement

Ally shall pay the Estates the Ally Contribution in accordance with the Plan. In exchange for Ally's contributions to the Chapter 11 Cases, including the Ally Contribution, Ally shall be entitled to the following consideration:

- a) Debtor Releases;
- b) Third Party Releases;
- c) <u>Settlement of Debtors' Rights to and Under Settlement Insurance Policies</u>: The Debtors (i) agree to permit Ally exclusively to recover under the Settlement Insurance Policies; (ii) relinquish in favor of Ally and its Representatives all coverage that might otherwise belong to, or inure to the benefit of, the Debtors under such Settlement Insurance Policies; (iii) shall, at Ally's discretion, assign, and seek an Order of the Bankruptcy Court permitting the assignment, to Ally of any and all of the Debtors' rights under the Settlement Insurance Policies with respect to any claims made against the Debtors or their Representatives prior to or during the bankruptcy, including each of the claims set forth on a schedule to Exhibit B to the Plan Support Agreement; and (iv) shall cooperate fully with Ally, in order to help maximize Ally's recovery under the Settlement Insurance Policies with respect to claims against the Debtors or their Representatives.

The Debtors shall retain their rights as insureds under the existing Ally general liability and workers' compensation insurance policies for bodily injury and property damage claims to the extent covered by those insurance policies. By the Effective Date, the Debtors shall be required to have purchased their own insurance policies (including general liability and workers' compensation insurance) to cover all risks of loss, damage or injury (including bodily injury and property damage) occurring on or after the Effective Date. For the avoidance of doubt, there is no obligation for Ally to provide insurance under the Plan, or otherwise.

Notwithstanding anything to the contrary herein, nothing in the Plan or Confirmation Order shall release, enjoin, or preclude any Representative of the Debtors from pursuing any

rights a Representative of the Debtors may have (i) to indemnification or advancement from Ally solely for any claims that are not released by the Plan and the Confirmation Order; or (ii) as an "insured" under any insurance coverage purchased by Ally or covering Representatives of the Debtors, or against any party (other than the Debtors) arising out of such policies of insurance, solely for any claims that are not released herein and in the Confirmation Order. For the avoidance of doubt, nothing in this Plan expands or reduces any existing indemnification rights or rights as an "insured" for any Representative of the Debtors for claims that are not released by the Plan.

For the avoidance of doubt, the releases in the Plan shall not extend to any rights, defenses, or counterclaims, under any directors & officers or errors & omissions insurance policies sold by any of the Consenting Claimants or their affiliates and covering either Debtors or any of the Ally Released Parties. Nor do the releases herein extend to any indemnity rights against non-Ally Released Parties arising out of the Kessler Class Action or to any other indemnity right against non-Ally Released Parties arising out of any other claims of Borrowers; specifically, the releases do not extend to any indemnity rights RFC may have against any non-Ally Released Party that is a successor in interest to CBNV and GNBT, including, but not limited to, those indemnity rights extending out of the Client Contracts between RFC, on the one hand, and either CBNV or GNBT, on the other hand, which incorporate by reference the indemnity provisions of RFC's AlterNet Seller Guide.

No rights of the Consenting Claimants are released under the Plan in their capacity as liability insurance or reinsurance carriers for Ally or the Debtors, to the extent applicable. In addition, nothing herein or in the Confirmation Order shall impair any of the Debtors' or any Borrower or former Borrower's rights or remedies (including the GM Insurance Rights) under or with respect to insurance policies other than the Settlement Insurance Policies (as assigned in the Plan), including but not limited to the GM Policies.

With respect to the Settlement Insurance Policies, the Confirmation Order shall contain language regarding the settlement of insurance that is reasonably acceptable to Ally, the Plan Proponents, and the Consenting Claimants.

- d) <u>Release of Funds</u>: On the Effective Date, the Debtors will (i) transfer the funds held in the Ally Indemnity Escrow Account to Ally, and (ii) remit the Misdirected Funds to Ally, and Ally shall release the approximately \$1.787 million in Cash that was overfunded by the Debtors prior to the Petition Date and which is currently held by Ally.
- e) <u>Regulatory Obligations</u>: Through the Effective Date, the Debtors shall perform all respective obligations under the DOJ/AG Settlement, the Consent Order, and the Order of Assessment, including, for the avoidance of doubt, satisfying the settlement of the foreclosure review obligations under the Consent Order, fulfilling all specific performance obligations, and satisfying all monetary obligations in full in Cash; <u>provided</u>, <u>however</u>, that the Debtors shall not be obligated to perform those obligations under the DOJ/AG Settlement and the Consent Order that Ocwen or Walter is obligated to perform under the Ocwen APA. On and after the Effective Date, the Liquidating Trust shall assume all rights and perform all obligations of the Debtors under the Ocwen APA, the DOJ/AG Settlement, the Consent Order, and the Order of Assessment (including as set forth above) other than those obligations under the DOJ/AG

Settlement and the Consent Order that Ocwen or Walter is obligated to perform under the Ocwen APA. For the avoidance of doubt, as of the Effective Date, Ally shall have no obligations under the Consent Order and the Order of Assessment; any monetary obligations of Ally under the DOJ/AG Settlement are governed by Article IX.D, IX.E and IX.H of the Plan. Nothing set forth herein is intended to or shall be deemed to modify any right or obligation of Ocwen or Walter with respect to the DOJ/AG Settlement and the Consent Order, each of which shall be governed in all respects by the provisions of the Ocwen APA.

Treatment of Ally Contract Claims. On the Effective Date, the Ally Contract Claims shall be presumptively Allowed in full and the Debtors shall pay such Claims in full in Cash. The parties to the Ally Contracts shall perform under such contracts in accordance with the terms of such contracts and orders of the Bankruptcy Court. For the avoidance of doubt, the parties' performance under each Ally Contract shall terminate in accordance with the terms of such contract and orders of the Bankruptcy Court, subject to an agreement among the Debtors, the Creditors' Committee, and Ally to otherwise terminate such contract. Ally shall provide to the Plan Proponents a good-faith estimate of the Ally Contract Claims on or about August 15, 2013; and every month thereafter until the Effective Date, provided, for the avoidance of doubt, such estimate shall be non-binding on Ally and subject to change. Except with respect to the Debtors' and the Liquidating Trust's obligations to Ally as specifically set forth in the Plan (including their obligations to perform under the Ally Contracts in accordance with their terms), on and after the Effective Date the Debtors and the Plan Trusts shall have no other obligations to the Ally Released Parties. In the event that before Confirmation of the Plan, Ally identifies claims that arose prior to the Petition Date under the Ally Contracts, the Plan Proponents and Ally agree to negotiate in good faith with respect to the treatment of such claims under the Plan. Nothing herein will be deemed an assumption of the Ally Contracts.

The consideration set forth above and the rights and obligations accorded elsewhere in this Plan to Ally shall constitute the compromise and settlement under Bankruptcy Rule 9019 and section 1123 of the Bankruptcy Code in exchange for the consideration provided by Ally, and shall further constitute the Bankruptcy Court's finding that such consideration to Ally is: (1) in exchange for the good, valuable and substantial consideration from the Ally Released Parties; (2) in the best interests of the Debtors, the Estates, the Liquidating Trust and all holders of Claims and Equity Interests; (3) a good faith settlement and compromise of the claims released under the Plan; (4) fair, equitable and reasonable; (5) given and made after due notice and opportunity for a hearing; (6) justified by truly unusual circumstances; (7) an essential component and critical to the success of the Plan; (8) resulting in distributions to the creditors that would otherwise have been unavailable; (9) the result of an identity of interest between the Debtors and the Ally Released Parties regarding the Plan; and (10) a bar to the Debtors, the Liquidating Trust, in the case of the Debtor Releases, and any party asserting a claim or cause of action released against any of the Ally Released Parties in connection with the Third Party Release.

C. RMBS Settlement

Entry of the Confirmation Order, pursuant to Bankruptcy Rule 9019 and section 1123 of the Bankruptcy Code, shall constitute approval of the RMBS Settlement, on terms set forth herein. The Global Settlement constitutes a good faith compromise and settlement of all objections to the Original RMBS Settlement Agreements by the Creditors' Committee and Consenting Claimants, as applicable, and all such objections shall be deemed withdrawn with prejudice upon entry of the Confirmation Order.

- 1. <u>Modification of Original RMBS Settlement Agreements</u>. The Original RMBS Settlement Agreements are hereby expanded to include all RMBS Trusts holding RMBS Trust Claims and are otherwise modified as set forth herein.
- 2. Allowance of RMBS Trust Claims and Distribution of Units to the RMBS Claims Trust for the benefit of the RMBS Trusts.
- (a) Entry of the Confirmation Order shall constitute approval of the Allowed amount of the RMBS Trust Claims as non-subordinated Unsecured Claims, subject only to the Allowed Fee Claim, in the aggregate amounts of (i) \$209.8 million against the GMACM Debtors; (ii) \$7,091.2 million against the RFC Debtors; and (iii) \$0 against the ResCap Debtors. On account of the Allowed RMBS Trust Claims, the RMBS Claims Trust shall receive (i) its Pro Rata Share of the GMACM Debtors Unit Distribution (the "GMACM Pool") and (ii) its Pro Rata Share of the RFC Debtors Unit Distribution (the "RFC Pool"), provided, however, 5.7% of the Allowed RMBS Trust Claims, including the Units to be distributed on account thereof (and any Distributable Cash thereon), shall be directly allocated to counsel for the Institutional Investors, without conveyance to the RMBS Claims Trust, the RMBS Trustees, or the RMBS Trusts, as the Allowed Fee Claim, in accordance with Article IV.C.6 of this Plan.
- (b) Notwithstanding anything to the contrary contained in the Plan, including but not limited to the approval of the Allowed amounts of the Claims held by RMBS Trust against the GMACM Debtors, the RFC Debtors and the ResCap Debtors described in the preceding paragraph, the Units distributed to the RMBS Claims Trust shall be reallocated in accordance with Section 3 below.
- 3. <u>RMBS Trust Allocation Protocol.</u> The Units distributed to the RMBS Claims Trust, pursuant to Article IV.C.2(a) shall be re-allocated between the GMACM Pool and the RFC Pool as provided in subparagraph (b) below, and subsequent distributions from the RMBS Claims Trust of such Units or Distributable Cash received from the Liquidating Trust as distributions on such Units, as so reallocated, shall be made to the RMBS Trusts pursuant to subparagraphs (c) and (d) below. In no event shall the provisions of this paragraph 3 entitle the RMBS Claims Trust to a distribution any more or any less than the Units described in Article IV.C.2(a), Article III or other applicable provisions of the Plan.

(a) <u>Recognized RMBS Trust Claims.</u>

(i) **Recognized Cure Claims**. For each RMBS Trust whose Servicing Agreement was assumed by the applicable Debtor, the Recognized cure claims for servicing damages against any of the GMACM Debtors are listed on Schedule 1-G (the "GMACM Recognized Cure Claims") and the Recognized Cure Claims for Servicing Damages against any of the RFC Debtors are listed on Schedule 1-R (the "RFC Recognized Cure Claims", together with the GMACM Recognized

Cure Claims, the "Recognized Cure Claims"). The Recognized Cure Claims do not include servicing damage claims arising under any Servicing Agreement that was not assumed by the applicable Debtor by the Effective Date pursuant to a Final Order, for any reason, including the following: (a) prior to the Petition Date, the applicable Debtors transferred all of its servicing obligations for the RMBS Trust to a non-Debtor servicer; (b) prior to the Petition Date, the applicable Debtor ceased servicing all mortgage loans in the RMBS Trust, either because the RMBS Trust was wound up or otherwise; or (c) after the Petition Date, the applicable Debtor chose not to assume the Servicing Agreement.

(ii) Recognized R+W Claims

- (1) Recognized Original R+W Claims. For each of the Original Settling RMBS Trusts, the Recognized R+W Claims against GMACM are listed on Schedule 2-G (the "GMACM Recognized Original R+W Claims") and the Recognized R+W claims against RFC are listed on Schedule 2-R (the "RFC Recognized Original R+W Claims," together with the GMACM Recognized Original R+W Claims, the "Recognized Original R+W Claims").
- (2) Recognized Additional R+W Claims. For each of the Additional Settling RMBS Trusts, the Recognized R+W Claims against GMACM are listed on Schedule 3-G (the "GMACM Recognized Additional R+W Claims") and the Recognized R+W Claims against RFC are listed on Schedule 3-R (the "RFC Recognized Additional R+W Claims," together with the GMACM Recognized Additional R+W Claims, the "Recognized Additional R+W Claims").
- (iii) Recognized Unsecured Servicing Claims. For each RMBS Trust whose Servicing Agreement was not assumed by the applicable Debtor by the Effective Date pursuant to a Final Order, the Recognized Unsecured Claims for servicing damages against GMACM are listed on Schedule 4-G (the "GMACM Recognized Unsecured Servicing Claims"), and the Recognized Unsecured Claims for servicing damages against RFC are listed on Schedule 4-R (the "RFC Recognized Unsecured Servicing Claim," together with the GMACM Recognized Unsecured Servicing Claim, the "Recognized Unsecured Servicing Claims").
- (iv) **Effect of Monoline Insurance on Recognized Claims.** If an RMBS Trust (i) is an Insured RMBS Trust and (ii) has made policy claims against its Monoline and as of the Effective Date has received full payment of such claims, the Recognized Claim of such RMBS Trust

will be set to zero, unless (a) such Insured RMBS Trust is one for which the sum of the net unreimbursed insurance payments, the accrued and unpaid losses, and projected future policy payments is zero or close to zero, (b) such Insured RMBS Trust contains one or more unwrapped tranches of securities that rank senior or equal in priority to tranches insured by a Monoline, in which case the portion of such Insured RMBS Trust's Claims allocable to such unwrapped tranches shall not be set to zero (or, when applicable to the following sentence, shall not be reduced) and any distribution on such unwrapped tranches shall be allocable only to such unwrapped tranches, or (c) the RMBS Trustees, with the advice of Duff, reasonably determine that, based on a particular RMBS Trust's structure, it would be unfair or inequitable to set the Recognized Claim to zero or, when applicable to the following sentence, it would be unfair to reduce the Recognized Claim (each of (a), (b) or (c), an "Insured Exception"), in each case as determined by Duff. If an RMBS Trust (i) is an Insured RMBS Trust and (ii) has made policy claims against its Monoline and, as of the Effective Date has not received full payment of such claims, the Recognized Claims of such RMBS Trusts will be reduced to take into account the value of partial payments made (or expected to be made) by such Monoline, if any, on such claims, unless an Insured Exception applies as determined by Duff as of the Effective Date.

- (v) Necessity of a Timely Filed Proof of Claim. An RMBS Trust will not have any Recognized Claim unless a Proof of Claims asserting an RMBS R+W Claim or an RMBS Cure Claim, as applicable, was timely filed for that RMBS Trust.
- (b) Reallocation of Units from the RFC Pool to the GMACM Pool. The number of Units distributed to the GMACM Pool and the RFC Pool is a function of the approval of the Allowed Amounts of the Unsecured Claims held by the RMBS Trusts against the Debtor Groups as provided in Article IV.C.3(a), but, as an integral part of the RMBS Settlement, the Units to be held in the GMACM Pool and the RFC Pool shall be determined based on the amount of the GMACM Recognized Cure Claims, the RFC Recognized Cure Claims, the GMACM Recognized Original R+W Claims, the RFC Recognized Original R+W Claims, the GMACM Recognized Additional R+W Claims, the RFC Recognized Additional R+W Claims, the GMACM Recognized Servicing Claims and the RFC Recognized Servicing Claims. Based on calculations prepared by Duff (taking into account the allocation of the Allowed Fee Claim), 2,949,494 Units³ (together with any cash distributions, if any, on such Units made prior to the reallocation of Units contemplated by this paragraph) shall be moved from the RFC Pool to the GMACM Pool.
- (c) <u>Allocations of Units in the GMACM Pool to RMBS Trusts with Recognized</u> <u>Claims against GMACM</u>. For purposes of allocations of Units held in the GMACM Pool to

³ Subject to adjustment after the Unit Issuance Percentages are adjusted as contemplated by Art. IV.J.

RMBS Trusts having Recognized Claims against GMACM, Duff shall calculate the aggregate value of each such RMBS Trust's Recognized Claims as of the Effective Date as follows: (i) GMACM Recognized Cure Claims shall be valued at 100% of the GMACM Recognized Cure Claims, if any, for such RMBS Trust shown on the applicable RMBS Trust Claims Schedules; (ii) GMACM Recognized Original R+W Claims, GMACM Recognized Additional R+W Claims and GMACM Recognized Unsecured Servicing Claims of such RMBS Trust, if any, will be valued at 16.7% of the GMACM Recognized Original R+W Claims, GMACM Recognized Additional R+W Claims, and GMACM Recognized Unsecured Servicing Claims shown on the applicable RMBS Trust Claims Schedules; and (iii) the values so calculated will be summed for each such RMBS Trust (the "GMACM Weighted Claim"). All distributions from the RMBS Claims Trust from the GMACM Pool to RMBS Trusts with Recognized Claims against GMACM will be based on the percentage that such RMBS Trust's GMACM Weighted Claim has to the total of all of the GMACM Weighted Claims.

- Claims against RFC. For purposes of allocations of Units held in the RFC Pool to RMBS Trusts having Recognized Claims against RFC, Duff shall calculate the aggregate value of each such RMBS Trust's Recognized Claims as of the Effective Date as follows: (i) RFC Recognized Cure Claims shall be valued at 100% of the RFC Recognized Cure Claims, if any, for such RMBS Trust shown on the applicable RMBS Trust Claims Schedules, (ii) RFC Recognized Original R+W Claims, RFC Recognized Additional R+W Claims and RFC Recognized Unsecured Servicing Claims of such RMBS Trust, if any, will be valued at 5.34% of the RFC Recognized Original R+W Claims, RFC Recognized Additional R+W Claims, and RFC Recognized Unsecured Servicing Claims shown on the applicable RMBS Trust Claims Schedules, and (iii) the values so calculated will be summed for each such RMBS Trust (the "RFC Weighted Claim"). All distributions from the RMBS Claims Trust from the RFC Pool to RMBS Trusts with Recognized Claims against RFC will be based on the percentage that such RMBS Trust's RFC Weighted Claim has to the total of all of the RFC Weighted Claims.
- (e) <u>Distributions as Subsequent Recoveries</u>. All distributions from the GMACM Pool or the RFC Pool on account of any Recognized RMBS Claim shall be treated as "Subsequent Recoveries," as that term is defined in the applicable governing agreement for that RMBS Trust; <u>provided</u> that if the governing agreement for a particular RMBS Trust does not include the term "Subsequent Recovery," the distribution resulting from any Recognized Claim shall be distributed as though it was unscheduled principal available for distribution on that distribution date; <u>provided, however</u>, that should the Bankruptcy Court determine that a different treatment is required to conform the distributions to the requirements of the governing agreements, that determination shall govern and shall not constitute a material change to this Plan. Notwithstanding the forgoing or anything to the contrary in any governing agreement, no distributions from the GMACM Pool or the RFC Pool will be paid over to any Monoline.
- **4.** <u>Monoline Reservation</u>. Each Insured RMBS Trust shall retain the ability to enforce its rights, in the Bankruptcy Court or otherwise, against any Monoline (other than FGIC)

⁴ Subject to adjustment after the Unit Issuance Percentages are adjusted as contemplated by Art. IV.J.

⁵ Subject to adjustment after the Unit Issuance Percentages are adjusted as contemplated by Art. IV.J.

that does not, in the future, perform in accordance with an insurance policy for the benefit of that RMBS Trust.

- 5. RMBS Trustee Fees and Expenses. In addition to distributions made on account of RMBS Trust Claims, the RMBS Trustees will be paid in full in Cash on the Effective Date for their reasonable pre- and post-petition fees and expenses, pursuant to the provisions of and subject to the procedures set forth in the Final Supplemental Order (I) Authorizing the Debtors to Continue Implementing Loss Mitigation Programs; (II) Approving Procedures for Compromise and Settlement of Certain Claims, Litigations and Causes of Action; (III) Granting Limited Stay Relief to Permit Foreclosure and Eviction Proceedings, Borrower Bankruptcy Cases, and Title Disputes to Proceed; and (IV) Authorizing and Directing the Debtors to Pay Securitization Trustee Fees and Expenses [Docket No. 774], and the Order under 11 U.S.C. §§ 105, 363, and 365, and Fed Bankr. P. 2002, 6004, 6006, and 9014 (I) Approving (A) Sale of Debtors' Assets Pursuant to Asset Purchase Agreement with Ocwen Loan Servicing, LLC; (B) Sale of Purchased Assets Free and Clear of Liens, Claims, Encumbrances, and Other Interests; (C) Assumption and Assignment of Certain Executory Contracts and Unexpired Leases Thereto; (D) Related Agreements; and (II) Granting Related Relief [Docket No. 2246] (the "Sale Order"). which provisions and procedures will also apply to HSBC. The RMBS Trustees may be reimbursed for their reasonable fees and expenses associated with making distributions and taking other actions required under the Plan following the Effective Date in accordance with the provisions of the applicable pooling and servicing agreements, including but not limited to pooling and servicing agreements assumed by the Debtors and assigned to the purchaser/assignee of same. For the avoidance of doubt, the foregoing shall not modify the terms of the Sale Order.
- Allowed Fee Claim. The Plan Supplement sets forth the stipulated amounts of the Allowed Fee Claim. On the Effective Date or as soon as practicable thereafter, the Liquidating Trust shall distribute Units on account of the Allowed Fee Claim to counsel for the Institutional Investors. For the avoidance of doubt, the amount of the Allowed Fee Claim shall reduce the total Units (and Cash distributed thereon) by the Liquidating Trust on account of RMBS Trust Claims to the RMBS Claims Trust, and shall have no impact on any other party entitled to a distribution under this Plan. The Allowed Fee Claim payable to counsel for the Institutional Investors may be reduced to separate claim stipulations for the convenience of the parties subject to the terms of the Plan.
- 7. <u>Affirmative Findings</u>. The Confirmation Order shall include affirmative findings that the Plan, including the RMBS Settlement and the FGIC Settlement Agreement, is in the best interests of Investors, that the RMBS Trustees acted in good faith and in the best interests of the Investors in entering into the Plan Support Agreement and performing their obligations thereunder, including voting for the Plan, <u>provided</u>, <u>however</u>, the Confirmation Order shall provide that such findings shall be binding solely in connection with the RMBS Trustees, the RMBS Trusts (including the Investors in the RMBS of such RMBS Trusts), and the actions of the RMBS Trusts and the RMBS Trustees with respect to the Plan Support Agreement and the Plan, including the RMBS Settlement, and the FGIC Settlement Agreement.
- **8.** <u>Continuation of Governing Agreements</u>. Except with respect to the Debtors and the Liquidating Trust, all agreements, indentures, pooling and servicing agreements and other documents governing the RMBS Trusts shall remain in full force and effect in accordance with

their terms and conditions, except (i) to the extent modified by consent in connection with any assumption and assignment thereof or (ii) as specifically provided in Article IV.C.3.e above.

D. Settlement of Monoline Claims.

- 1. <u>MBIA Settlement.</u> Entry of the Confirmation Order, pursuant to Bankruptcy Rule 9019 and section 1123 of the Bankruptcy Code, shall constitute approval of Allowed non-subordinated General Unsecured Claims held by MBIA in the amount of \$719 million against the ResCap Debtors, \$1,450 million against the GMACM Debtors, and \$1,450 million against the RFC Debtors. In full and final satisfaction of MBIA's General Unsecured Claims against the Debtors, MBIA shall receive on account of its Allowed General Unsecured Claims (i) its Pro Rata Share of the GMACM Debtors Unit Distribution, (ii) its Pro Rata Share of the RFC Debtors Unit Distribution, and (iii) its Pro Rata Share of the ResCap Debtors Unit Distribution, as applicable.
- FGIC Settlement. As a condition precedent to Plan Consummation, the 2. Bankruptcy Court and the FGIC Rehabilitation Court each shall have approved, by no later than September 16, 2013, the FGIC Settlement Agreement, which governs the amount and priority of the General Unsecured Claims held by FGIC. Entry of an order substantially in the form attached to the FGIC Settlement Agreement as Exhibit D (or such other form as agreed to by FGIC, the Debtors, the RMBS Trustees, and counsel for the Institutional Investors), pursuant to Bankruptcy Rule 9019, shall constitute approval, among other things, of the minimum Allowed non-subordinated General Unsecured Claim amounts as set forth therein. In full and final satisfaction of FGIC's General Unsecured Claims against the Debtors, FGIC shall receive on account of its Allowed General Unsecured Claims: (i) its Pro Rata Share of the GMACM Debtors Unit Distribution, (ii) its Pro Rata Share of the RFC Debtors Unit Distribution, and (iii) its Pro Rata Share of the ResCap Debtors Unit Distribution, as applicable.
- 3. <u>Assured Settlement</u>. Entry of the Confirmation Order, pursuant to Bankruptcy Rule 9019 and section 1123 of the Bankruptcy Code, shall constitute approval of Allowed non-subordinated General Unsecured Claims held by Assured in the amount of \$88,868,346 against the GMACM Debtors and \$57,950,560 against the RFC Debtors. E. Private Securities Claims Trust

The Private Securities Claims Trust shall be established for the sole benefit of the holders of Allowed Private Securities Claims, and shall be funded on the Effective Date with the Private Securities Claims Trust Unit Distribution. The Private Securities Claims Trust shall be administered by the Private Securities Claims Trustee, who shall distribute to holders of Allowed Private Securities Claims in accordance with the Private Securities Claims Trust Agreement (a) the Cash distributed by the Liquidating Trust in respect of the Units allocated to the Private Securities Claims Trust to holders of Allowed Private Securities Claims, or (b) the Units transferred to the Private Securities Claims Trust that constitute the Private Securities Claims Trust Unit Distribution.

- 1. Private Securities Claims Trust Agreement. On or before the Effective Date, the Private Securities Claims Trust Agreement, in a form reasonably acceptable to the Plan Proponents, Ally and the Settling Private Securities Claimants, each in their individual capacity, shall be executed, and all other necessary steps shall be taken to establish the Private Securities Claims Trust and the interests therein, which shall be for the benefit of the holders of Allowed Private Securities Claims. The Private Securities Claims Trust Agreement shall provide for the distribution of the Private Securities Trust Assets in accordance with the allocation agreement, executed by each of the Private Securities Claimants.
- 2. Purpose of the Private Securities Claims Trust. The Private Securities Claims Trust shall be established to perform the following duties, to the extent necessary: (i) directing the processing, liquidation and payment of the Allowed Private Securities Claims in accordance with the Plan; and (ii) preserving, holding, and managing the assets of the Private Securities Claims Trust for use in paying and satisfying Allowed Private Securities Claims. The Private Securities Claims Trust Agreement shall include, among other things: (i) the terms, methodology, criteria, and procedures for distributing either (a) the Cash distributed by the Liquidating Trust in respect of the Units allocated to the Private Securities Claims Trust to holders of Allowed Private Securities Claims, or (b) the Units transferred to the Private Securities Claims Trust Unit Distribution; and (ii) to the extent necessary, the establishment of appropriate disputed claims reserves.
- 3. Private Securities Claimants to Forego Other Recoveries. In consideration of the Private Securities Claims Trust Unit Distribution transferred to the Private Securities Claims Trust and in furtherance of the purposes of the Private Securities Claims Trust and the Plan, the Private Securities Claimants shall agree to forego any other recovery from the Debtors or the Liquidating Trust in respect of the Private Securities Claims, and neither the Debtors, Ally, nor the Liquidating Trust shall have any further financial or other responsibility or liability therefor. Private Securities Claimants instead shall be entitled to receive their allocated share of either (a) the Cash available for distribution from the Private Securities Claims Trust in respect of the Private Securities Claims Trust Unit Distribution, or (b) the Units transferred to the Private Securities Claims Trust Unit Distribution, in

each case in accordance with the Private Securities Claims Trust Agreement, as their sole source of recovery in respect of the Private Securities Claims.

- 4. <u>Administration of the Private Securities Claims Trust</u>. The Private Securities Claims Trust shall be administered by the Private Securities Claims Trustee. For the avoidance of doubt, upon the Effective Date, the Private Securities Claims Trust shall be completely independent of the Liquidating Trust and the Liquidating Trust shall have no authority over the Private Securities Claims Trust. One or more candidates for the Private Securities Claims Trustee shall be recommended on or before the Effective Date by the Settling Private Securities Claimants, in each of their individual capacities, and the Private Securities Claims Trustee will be designated with the consent of the Plan Proponents, which consent shall not be unreasonably withheld.
- 5. <u>Distributions to the Private Securities Claimants</u>. To the extent the Private Securities Claims Trust holds the Units distributed by the Liquidating Trust, the Cash distributions received by the Private Securities Claims Trust in respect of the Units that it holds shall be distributed to holders of Allowed Private Securities Claims in accordance with the methodology, criteria and procedures established in the Private Securities Claims Trust Agreement. To the extent the Private Securities Claims Trust has distributed the Units that constitute the Private Securities Claims Trust Unit Distribution to Private Securities Claimants, the Liquidating Trust shall make Cash distributions directly to the Private Securities Claimants.
- 6. <u>Settlement of Allowed Claims of Settling Private Securities Claimants</u>. Entry of the Confirmation Order, pursuant to Bankruptcy Rule 9019 and section 1123 of the Bankruptcy Code, shall constitute approval of the settlement of the Allowed Claim amounts for voting purposes of each of the Settling Private Securities Claimants as follows: AIG shall have an allowed claim of \$1.168 billion for voting purposes, Allstate shall have an allowed claim of \$140 million for voting purposes, MassMutual shall have an allowed claim of \$218 million for voting purposes, and Prudential shall have an allowed claim of \$227 million for voting purposes.

- 8. <u>Retention of Professionals by Private Securities Claims Trustee</u>. The Private Securities Claims Trustee may retain and reasonably compensate counsel and other professionals to assist in its duties as Private Securities Claims Trustee on such terms as the Private Securities Claims Trustee deems appropriate without Bankruptcy Court approval, but subject to the terms and conditions provided for in the Private Securities Claims Trust Agreement. The Private Securities Claims Trustee may retain professionals who represented parties in the Chapter 11 Cases, provided such retention is otherwise permissible under applicable law.
- 9. <u>Indemnification of the Private Securities Claims Trustee</u>. The Private Securities Claims Trustee and its agents or professionals shall not be liable for any actions taken or omitted in its capacity as, or on behalf of, the Private Securities Claims Trustee or the Private Securities Claims Trust, except those acts arising out of its own willful misconduct, gross negligence, or

bad faith, and each shall be entitled to indemnification or reimbursement for fees and expenses in defending any and all of its actions or inactions in its or their capacity as, or on behalf of, the Private Securities Claims Trustee except for any and all actions or inactions involving willful misconduct, gross negligence, or bad faith. Any indemnification claim of the Private Securities Claims Trustee (and the other parties entitled to indemnification under this subsection) shall be satisfied solely from the assets of the Private Securities Claims Trust and no recourse may be had to the Liquidating Trust, Ally, or the Debtors' Estates. The Private Securities Claims Trustee shall be entitled to rely, in good faith, on the advice of its retained professionals.

F. Borrower Claims Trust

The Borrower Claims Trust shall be established for the sole benefit of the holders of Allowed Borrower Claims, and shall consist of the Borrower Claims Trust Assets. The Borrower Claims Trust shall be administered by the Borrower Claims Trustee, subject to oversight and supervision by the Borrower Claims Trust Committee, who shall administer and distribute the Borrower Claims Trust Assets to holders of Allowed Borrower Claims in accordance with the methodology and procedures set forth in the Borrower Claims Trust Agreement. The Borrower Claims Trust shall be completely independent of the Liquidating Trust and the Liquidating Trustees shall have no authority over the Borrower Claim Trust or the Borrower Claims Trustee.

- 1. Borrower Claims Trust Agreement. On or before the Effective Date, the Borrower Claims Trust Agreement, in a form reasonably acceptable to the Plan Proponents, Ally and the Kessler Class Claimants, shall be executed, and all other necessary steps shall be taken to establish the Borrower Claims Trust and the interests therein, which shall be for the benefit of the holders of Allowed Borrower Claims. In the event of any conflict between the terms of the Plan with respect to the Borrower Claims Trust and the terms of the Borrower Claims Trust Agreement, the Borrower Claims Trust Agreement shall govern. The Borrower Claims Trust Agreement includes: (i) participation and qualification criteria for holders of Borrower Claims to receive a distribution from the Borrower Claims Trust Assets, (ii) procedures for the prosecution and settlement of objections to Borrower Claims, including those previously filed by the Debtors or any other party, (iii) the establishment of reserves for Disputed Borrower Claims; and (iv) the establishment of procedures to resolve Disputed Borrower Claims, inclusive of any counterclaims or offsets in favor of the Debtors.
- **2.** Purpose of the Borrower Claims Trust. The Borrower Claims Trust shall be established to, among other things, (i) direct the processing, liquidation and payment of the Allowed Borrower Claims in accordance with the Plan, and the distribution procedures established under the Borrower Claims Trust Agreement, and (ii) preserve, hold, and manage the assets of the Borrower Claims Trust for use in satisfying Allowed Borrower Claims.
- 3. <u>Assumption of Certain Liabilities by the Borrower Claims Trust</u>. In consideration of the Borrower Claims Trust Assets transferred to the Borrower Claims Trust and in furtherance of the purposes of the Borrower Claims Trust and the Plan, the Borrower Claims Trust shall assume all liability for all Borrower Claims, and neither the Debtors, the Released Parties, nor the Liquidating Trust shall have any further financial or other responsibility or liability therefor.

- **4.** Borrower Claims Trust Assets. The Borrower Claims Trust shall consist of the Borrower Claims Trust Assets and any other assets held from time to time incidental to the administration of the Borrower Claims Trust. On the Effective Date, the Liquidating Trust, in its capacity as Disbursing Agent, shall fund the Borrower Claims Trust with the Cash portion of the Borrower Claims Trust Assets free and clear of all Liens, Claims, and encumbrances, except to the extent otherwise provided herein.
- 5. <u>Administration of the Borrower Claims Trust</u>. The Borrower Claims Trust shall be administered by the Borrower Claims Trustee subject to the supervision and oversight of the Borrower Claims Trust Committee. The Borrower Claims Trustee will be designated by counsel for the Kessler Class Claimants with the consent of the Plan Proponents, which consent shall not be unreasonably withheld.
- 6. Distributions from the Borrower Claims Trust. It is the intention that distributions made from the Borrower Claims Trust on account of an Allowed Borrower Claim will be comparable to the recovery that the holder of an Allowed Claim in the same amount against the same Debtor Group would realize from distributions made by the Liquidating Trust on Units issued in respect of such Allowed Claim, based on the value of the assets in the Liquidating Trust available for distribution to holders of Units as of the Effective Date (without in each case giving effect to any insurance proceeds, including proceeds from the GM Policies. that may be received in respect of certain of the Allowed Borrower Claims or to the time delay in receipt of distributions in respect of the Units issued by the Liquidating Trust). For the avoidance of doubt, the comparable recovery percentages that the holder of an Allowed Claim in the same amount against the same Debtor Group would realize from distributions made by the Liquidating Trust on Units issued in respect of such Allowed Claim shall be established once and finally and for all purposes, including for all future distributions by the Borrower Claims Trust, at the time of and in connection with the Borrower Trust True-Up and confirmation of the Plan, and neither the amount to be transferred to the Borrower Claims Trust nor the percentage distributions from the Borrower Claims Trust shall be adjusted following the Effective Date based on actual experience with respect to recoveries from the Liquidating Trust following the Effective Date of the Plan.

Except as otherwise provided herein or in the Kessler Settlement Agreement, to the extent a Borrower recovers insurance proceeds on account of all or some of an Allowed Borrower Claim, (i) if distributions on account of such Allowed Borrower Claim have not been made, the amount of such Allowed Borrower Claim shall be reduced to the extent paid by insurance proceeds, or (ii) if distributions on account of such Allowed Borrower Claim have been made, the Borrower shall be required to return an amount equal to all distributions received by the Borrower from the Borrower Claims Trust on account of such Allowed Borrower Claim multiplied by a fraction, the numerator of which is the amount of the insurance proceeds received and the denominator of which is the amount of its Allowed Borrower Claim. Such Borrower shall thereafter continue to be entitled to its proportionate share of any future distribution from the Borrower Claims Trust. For the avoidance of doubt, the Kessler Settlement Class shall continue to be entitled to its proportionate share of any such future distribution. Any Borrower who recovers insurance proceeds on account of all or some of an Allowed Borrower Claim shall be required to notify the Borrower Claims Trustee of such recovery within ten (10) Business Days of receipt.

If any Borrower Claim constitutes, in whole or in part, a Consent Order Borrower Claim, the Allowed amount of such Borrower Claim shall be reduced to the extent paid pursuant to the Consent Order or any settlement of the Debtors' obligations thereunder, without further order of the Bankruptcy Court.

- 7. <u>U.S. Federal Income Tax Treatment of Borrower Claims Trust</u>. All parties (including, without limitation, the Debtors, the Borrower Claims Trustee, and the holders of Borrower Claims) shall treat the Borrower Claims Trust as a "qualified settlement fund" within the meaning of section 468B of the Tax Code and the Treasury Regulations thereunder.
- 8. <u>Dissolution of the Borrower Claims Trust</u>. The Borrower Claims Trustee and the Borrower Claims Trust shall be discharged or dissolved, as applicable, at such time as (i) all Borrower Claims have been resolved by Final Order, written agreement, or pursuant to the Plan, and (ii) all distributions to be made by the Borrower Claims Trustee under the Plan and the Borrower Claims Trust Agreement have been made. Any Cash or other remaining assets in the Borrower Claims Trust shall be transferred to the Liquidating Trust upon dissolution of the Borrower Claims Trust.
- 9. <u>Costs and Expenses of Borrower Claims Trust</u>. The reasonable costs and expenses of administering the Borrower Claims Trust, including the reasonable fees and expenses of the Borrower Claims Trustee and its retained professionals, shall be funded on the Effective Date as agreed to by the Plan Proponents and Consenting Claimants. Such costs shall not include fees and expenses incurred by the Kessler Class Claimants pursuit of GM Insurance Rights.
- 10. <u>Retention of Professionals by Borrower Claims Trustee</u>. The Borrower Claims Trustee may retain and reasonably compensate counsel and other professionals to assist in its duties as Borrower Claims Trustee on such terms as the Borrower Claims Trustee deems appropriate without Bankruptcy Court approval, but subject to the terms and conditions provided for in the Borrower Claims Trust Agreement. The Borrower Claims Trustee may retain professionals who represented parties in the Chapter 11 Cases, provided such retention is otherwise permissible under applicable law.
- 11. Indemnification of the Borrower Claims Trustee and the Borrower Claims Trust The Borrower Claims Trustee and members of the Borrower Claims Trust Committee. G. Settlement of Claims of Kessler Class Claimants

- 1. <u>Settlement of Allowed Amount of Kessler Class Claims</u>. As provided in the Kessler Settlement Agreement, as one element of, and in consideration for, an overall negotiated settlement of numerous disputed claims and issues embodied in the Plan and subject to the entry of the Kessler Settlement Approval Orders, the Kessler Settlement Class shall receive the Allowed Kessler Claim against the RFC Debtors. The sole source of recovery of the Allowed Kessler Claim shall be distributions from the Borrower Claims Trust and the GM Insurance Rights, and not from any other assets or property of the Released Parties, the Liquidating Trust, or the Private Securities Claims Trust.
- 2. <u>Transfer of GM Insurance Rights</u>. Subject to entry of the Kessler Settlement Approval Orders, on the Effective Date, the Debtors shall, pursuant to section 1123(a)(5) of the Bankruptcy Code, convey, transfer, and assign the GM Insurance Rights under the GM Policies in accordance with the Kessler Settlement Agreement and the Kessler Settlement Approval Orders, to (i) the Kessler Settlement Class with respect to indemnity for the Allowed Kessler Claim, and (ii) except to the extent that any such GM Insurance Rights have been transferred by the Debtors to other creditors on or before the Effective Date, the Liquidating Trust with respect to any other GM Insurance Rights. For the avoidance of doubt, the (i) rights of the Kessler Settlement Class in and to the GM Insurance Rights and proceeds thereof, and (ii) the rights of any other creditor who has received from the Debtors an assignment of GM Insurance Rights prior to the Effective Date, shall not be transferred to the Liquidating Trust and shall not constitute Available Assets.
- 3. <u>Discovery of Additional Insurance Policies</u>. Subject to the entry of the Kessler Settlement Approval Orders, if, after the Effective Date, the Liquidating Trust discovers any additional insurance policies under which any of the Debtors are an insured and that provide coverage for the Debtors' liability to the Kessler Settlement Class, then the Liquidating Trust will assign to the Kessler Settlement Class the insurance rights under such policies with respect to the liability of the Debtors to the Kessler Settlement Class.

H. NJ Carpenters Claims Settlement

The NJ Carpenters Settlement, which is subject to the NJ Carpenters Approval, contemplates the payment of the NJ Carpenters Claims Distribution in settlement of the NJ Carpenters Claims, which amount shall be the sole source of recovery available in respect of the NJ Carpenters Claims. If the NJ Carpenters Approval occurs, the NJ Carpenters Class Members shall be entitled to the NJ Carpenters Claims Distribution. The NJ Carpenters Class Opt-Outs shall not receive any portion of the NJ Carpenters Claims Distributions and shall receive no consideration under the Plan other than in respect of their Allowed Claims against the Estates, which Claims shall be classified as General Unsecured Claims and may be subject to subordination. The reasonable costs of class notice and administration shall be advanced by the Debtors prior to the Effective Date in accordance with applicable orders of

the Bankruptcy Court and District Court, which costs will be deducted from the NJ Carpenters Claims Distribution. Absent the NJ Carpenters Approval, the NJ Carpenters Class Members will not receive any portion of the NJ Carpenters Claims Distribution, and, to the extent any NJ Carpenters Class Members hold Allowed Claims, such Claims shall be classified as General Unsecured Claims, which claims may be subject to subordination.

I. Senior Unsecured Notes Settlement

Distributions to the Senior Unsecured Noteholders shall be carried out consistent with Article VII.G.1 of the Plan.

K. Adjustment Mechanism

The allocation of Units issuable pursuant to the Plan shall be determined in accordance with the following adjustment mechanism. Prior to the Initial Unit Distribution Date, a determination shall be made of the estimated amount of the General Unsecured Claims against each of the Debtor Groups that are Disputed Claims, in accordance with the provisions of Article VIII.D. Thereupon, the Unit Issuance Percentages shall be adjusted such that all holders of Allowed Unsecured Claims and the Private Securities Claims Trust shall share proportionately in the accretion or dilution of recoveries as a result of variances in the Allowed amounts of Unsecured Claims from the amounts set forth in the Disclosure Statement; and shall be further adjusted through an iterative mathematical process such that all holders of Allowed Unsecured Claims against a Debtor Group receive Units in the same ratio of number of Units to Allowed amount of Claim. For the purposes of this paragraph, "proportionately" means in proportion to the recovery of the holders of Unsecured Claims in the amounts set forth in the Disclosure Statement.

The Debtor Group Unit Distributions shall be determined based on the respective Unit Issuance Percentages, after adjustment, and shall include, with respect to each Debtor Group, the Units to be issued to holders of Allowed Unsecured Claims against that Debtor

Group as of the Initial Unit Distribution Record Date and the Units to be issued to the Disputed Claims Reserve with respect to that Debtor Group.

L. Cancellation of Securities, Indentures, and Other Documents Evidencing Claims and Equity Interests

Subject to the assumption of Executory Contracts and Unexpired Leases as set forth in the Plan, and except for purposes of evidencing a right to distributions under the Plan, on the Effective Date, all notes, stock, instruments, certificates, indentures, guarantees, and other documents or agreements evidencing a Claim against or Equity Interest in the Debtors will be deemed automatically cancelled with respect to the Debtors and shall be of no further force or effect as against the Debtors, whether such document is surrendered for cancellation or not, and the obligations of Ally, the Debtors, or the Liquidating Trust, thereunder or in any way related thereto will be discharged.

Notwithstanding anything to the contrary herein, the Senior Unsecured Notes Indenture will continue in effect for the limited purposes of: (i) allowing the Senior Unsecured Noteholders to receive distributions on account of their Senior Unsecured Notes Claims, and (ii) allowing the Senior Unsecured Notes Indenture Trustee to make distributions in accordance with the terms of the Plan, to fund the Senior Unsecured Notes Indenture Trustee Reserve, and to exercise its Senior Unsecured Notes Indenture Trustee Charging Lien against distributions under the Plan and against the Senior Unsecured Notes Indenture Trustee Reserve for payment of Senior Unsecured Notes Indenture Trustee Fees and Expenses.

Notwithstanding anything to the contrary herein, the First Priority Security Agreement will continue in effect for the limited purposes of allowing the First Priority Collateral Agent to exercise its First Priority Collateral Agent Lien for the payment of First Priority Collateral Agent Fees and Expenses.

Notwithstanding anything to the contrary herein, all JSN Documents shall be deemed automatically canceled and discharged on the Effective Date, <u>provided</u>, <u>however</u>, that the JSN Documents shall continue in effect solely for the purposes of (i) allowing the holders of Junior Secured Notes Claims to receive distributions on account of their Junior Secured Notes Claims as provided in the Plan, (ii) allowing the Junior Secured Notes Indenture Trustee to make the distributions to be made on account of the Junior Secured Notes Claims; and (iii) permitting the Junior Secured Notes Indenture Trustee Charging Lien against such distributions for payment of the Junior Secured Notes Indenture Trustee Fees and the Junior Secured Notes Collateral Agent Fees and Expenses.

M. Treatment of Intercreditor Agreement

The Intercreditor Agreement shall be deemed automatically cancelled and discharged upon the Effective Date. Upon the occurrence of the Effective Date, no Ally Party shall be entitled to receive any portion of the Junior Secured Notes Distribution and no Person may directly or indirectly interfere in any manner with the distribution of the Junior Secured

Notes Distribution to the Junior Secured Noteholders in accordance with Article VII.G.1 hereof.

O. Corporate Action

Except as otherwise provided in the Plan, the corporate or related actions to be taken by or required of the Debtors in connection with each matter provided for by the Plan shall, as of the Effective Date, be deemed to have occurred and be effective as provided in the Plan, and shall be authorized, approved, and, to the extent taken prior to the Effective Date, ratified in all respects without any requirement of further action by holders of Claims or Equity Interests, directors of the Debtors, or any other Entity. On or prior to the Effective Date, the appropriate officers of the Debtors shall be authorized and directed to issue, execute, and deliver the agreements, securities, instruments, or other documents contemplated by the Plan, or necessary or desirable to effect the transactions contemplated by the Plan, in the name of and on behalf of the Debtors, prior to the Effective Date, or the Liquidating Trust, following the Effective Date. Notwithstanding any requirements under nonbankruptcy law, the authorizations and approvals contemplated by this provision shall be effective.

On the Effective Date, upon the appointment of the Liquidating Trust Board, the persons acting as directors, managers, and officers of the Debtors prior to the Effective Date as the case may be, will be released from all further authority, duties, responsibilities, and obligations relating to and arising from operations of the Debtors or the Chapter 11 Cases, including, for the avoidance of doubt, the continuing obligations related to the DOJ/AG Settlement. Upon such release and discharge, the Liquidating Trust Board will be charged with the authority, duties, responsibilities, and obligations relating to and arising from operations of the Debtors and these Chapter 11 Cases, except to the extent such authority, duties, responsibilities, and obligations are to be undertaken by the Private Securities Claims Trustee, the RMBS Claims Trust Trustees, the Borrower Claims Trustee, or, with respect to the NJ Carpenters Claims Distribution, in each case as provided in the Plan.

P. Dissolution of the Debtors

On and after the Effective Date, the Liquidating Trust Board shall be authorized, in its sole and absolute discretion, to take all actions reasonably necessary to manage or dissolve the Debtors and their subsidiaries, including the Non-Debtor Subsidiaries, under applicable laws, including the laws of the jurisdictions in which they may be organized or registered, notwithstanding any applicable consent requirements or other restrictions contained in any financing agreements or other debt documents to which any Debtor is a party, and to pay all reasonable costs and expenses in connection with such dissolutions, including the costs of preparing or filing any necessary paperwork or documentation. The Liquidating Trust Board

shall have no liability for using its discretion to dissolve or not dissolve any of the Debtors or their subsidiaries. Whether or not dissolved, the Debtors shall have no authorization to implement the provisions of this Plan from and after the Effective Date except as specifically provided otherwise in the Plan. Notwithstanding the foregoing, the Liquidating Trust Board shall not dissolve any Debtor to the extent such Debtor is required to hold Available Assets after the Effective Date pursuant to Article VI.C of the Plan, and any such Debtors shall be authorized to take such actions at the direction of the Liquidating Trust Board as may be necessary to implement the provisions of the Plan with respect to such Available Assets.

Q. Effectuating Documents; Further Transactions

On the Effective Date, the Liquidating Trust Board will be authorized to take any actions or effect transactions, including conversions, dissolutions, transfers, liquidations, or other corporate transactions, as may be determined by the Liquidating Trust Board to be necessary or appropriate to implement to terms of the Plan. After the Effective Date, the Liquidating Trust Board may utilize the aforementioned authority without any further notice to or action, order or approval of the Bankruptcy Court.

On and after the Effective Date, the Liquidating Trust Board, directly or acting through the Liquidating Trust Management, is authorized to and may issue, execute, deliver, file, or record such contracts, securities, instruments, releases, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement, and further evidence the terms and conditions of the Plan in the name of and on behalf of the Plan Proponents, without the need for any approvals, authorizations, or consents, except for those expressly required by the Plan.

R. Exemption from Certain Taxes and Fees

Pursuant to Bankruptcy Code section 1146(a), any transfers of property pursuant to the Plan shall not be subject to any stamp, real estate transfer, mortgage reporting, or other similar tax or governmental assessment in the United States, and the Confirmation Order shall direct and be deemed to direct the appropriate state or local governmental officials or agents to forego the collection of any such tax or governmental assessment and to accept for filing and recordation instruments or other documents pursuant to such transfers of property without the payment of any such tax or governmental assessment.

S. Preservation of Causes of Action

Unless any Causes of Action against an Entity are expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan (including pursuant to the Plan Support Agreement), or by a Final Order, in accordance with section 1123(b) of the Bankruptcy Code, the Borrower Claims Trust with respect to Borrower-Related Causes of Action, and the Liquidating Trust with respect to all other Causes of Action, shall retain and may enforce all rights to commence and pursue, as appropriate, any and all Causes of Action of the Debtors or the Debtors' Estates, whether arising before or after the Petition Date, including, without limitation, any Causes of Action specifically enumerated in the Plan Supplement, and the Liquidating Trust's and Borrower Claims Trust's respective rights to

commence, prosecute, or settle such Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date. The Liquidating Trust and the Borrower Claims Trust may pursue their respective Causes of Action, as appropriate, in accordance with the best interests of the respective Trust. No Entity may rely on the absence of a specific reference in the Plan or the Disclosure Statement to any Cause of Action against such Entity as any indication that the Liquidating Trust or Borrower Claims Trust, as the case may be, will not pursue any and all available Causes of Action against such Entity. The Liquidating Trust and the Borrower Claims Trust expressly reserve all rights to prosecute any and all Causes of Action against any Entity, except as otherwise expressly provided in the Plan. Unless any Causes of Action against an Entity are expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan or a Bankruptcy Court order, the Liquidating Trust expressly reserves all Causes of Action other than Borrower-Related Causes of Action, and the Borrower Claims Trust expressly reserves all Borrower-Related Causes of Action, for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation or Consummation. For the avoidance of doubt, the Plan does not release any Causes of Action that the Plan Proponents or the Liquidating Trust or Borrower Claims Trust have or may have now or in the future against any Entity other than the Released Parties (and only in their capacity as Released Parties). The Liquidating Trustees and the Borrower Claims Trustee, as applicable, are deemed representatives of the Estates for the purpose of prosecuting, as applicable, the Liquidating Trust Causes of Action, Borrower-Related Causes of Action and any objections to Claims pursuant to section 1123(b)(3)(B) of the Bankruptcy Code.

Except as otherwise provided in the Plan or in a Final Order, the Liquidating Trust reserves and shall retain Causes of Action notwithstanding the rejection of any Executory Contract or Unexpired Lease during the Chapter 11 Cases or pursuant to the Plan. In accordance with section 1123(b)(3) of the Bankruptcy Code, any Causes of Action that the Debtors may hold against any Entity that is not released under the Plan or a separate settlement approved by Final Order shall vest in the Borrower Claims Trust with respect to Borrower-Related Causes of Action and in the Liquidating Trust with respect to all other Causes of Action. The Liquidating Trust and Borrower Claims Trust, as the case may be, through their respective authorized agents or representatives, shall retain and may exclusively enforce any and all such Causes of Action. The Liquidating Trust has the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any Causes of Action other than Borrower-Related Causes of Action, or to decline to do any of the foregoing, without the consent or approval of any third party or any further notice to or action, order, or approval of the Bankruptcy Court. The Borrower Claims Trust has the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any Borrower-Related Causes of Action, or to decline to do any of the foregoing, without the consent or approval of any third party or any further notice to or action, order, or approval of the Bankruptcy Court.

ARTICLE V.

TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

A. Rejection of Executory Contracts and Unexpired Leases

Except as otherwise provided herein, each Executory Contract and Unexpired Lease not previously assumed shall be deemed automatically rejected pursuant to sections 365 and 1123 of the Bankruptcy Code as of the Effective Date, unless any such Executory Contract or Unexpired Lease: (i) is expressly identified on the Assumption Schedule; (ii) has been previously assumed by the Debtors by Final Order or has been assumed by the Debtors by order of the Bankruptcy Court as of the Effective Date, which order becomes a Final Order after the Effective Date; (iii) is the subject of a motion to assume pending as of the Effective Date; or (iv) is otherwise assumed pursuant to the terms herein. The Confirmation Order will constitute an order of the Bankruptcy Court approving such rejections pursuant to sections 365 and 1123 of the Bankruptcy Code as of the Effective Date or as otherwise set forth in the Plan Supplement.

All Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, including any Executory Contracts or Unexpired Leases rejected or deemed rejected under the Plan, must be Filed in accordance with the procedures set forth in the Bar Date Order by the Rejection Damages Claim Bar Date or such Claims will be automatically disallowed, forever barred from assertion, and shall be unenforceable against the Debtors, the Liquidating Trust, or their assets or properties without the need for any objection by the Liquidating Trust or further notice to, or action, order, or approval of the Bankruptcy Court. All Allowed Claims arising from the rejection of the Debtors' Executory Contracts or Unexpired Leases will be classified as General Unsecured Claims against the applicable Debtor Groups and treated in accordance with the terms of Article III. The deadline to object to Claims arising from the rejection of Executory Contracts or Unexpired Leases, if any, shall be the Claims Objection Deadline.

B. Assumption of Executory Contracts and Unexpired Leases

The Debtors will file the Assumption Schedule with the Bankruptcy Court at least twenty-one (21) days before the commencement of the Confirmation Hearing. The Assumption Schedule will include (a) the name of the non-Debtor counterparty, (b) the legal description of the Executory Contract or Unexpired Lease to be assumed, and (c) the proposed amount to be paid on account of an associated Cure Claim, if any. On or as soon as practicable thereafter, the Debtors will serve a notice of filing of the Assumption Schedule upon each non-Debtor counterparty listed thereon that will describe the procedures by which such parties may object to the proposed assumption of their respective Executory Contract or Unexpired Lease or the proposed Cure Claim amount, and explain how such disputes will be resolved by the Bankruptcy Court if the parties are not able to resolve a dispute consensually. Objections, if any, to the proposed assumption and/or Cure Claim must be filed with the Bankruptcy Court and served so as to be actually received by the Debtors no later than fourteen (14) days from the date of filing the Assumption Schedule. Any non-Debtor counterparty to an Executory Contract or

Unexpired Lease that fails to object timely to the proposed assumption or Cure Claim amount will be deemed to have assented to such assumption or Cure Claim amount.

If an objection to the proposed Cure Claim is sustained by the Bankruptcy Court, the Plan Proponents, prior to the Effective Date, or the Liquidating Trust, following the Effective Date, may elect to reject such Executory Contract or Unexpired Lease in lieu of assuming it on proper notice to the non-Debtor counterparty thereto, which non-Debtor counterparties shall then be entitled to file Proofs of Claim asserting Claims arising from the rejection thereof, if applicable, in accordance with the terms of the Plan and the Bar Date Order.

The Plan Proponents, prior to the Effective Date, or the Liquidating Trust, following the Effective Date, may settle any dispute on the amount of a Cure Claim without further notice to any party or action, approval, or order of the Bankruptcy Court. If the Plan Proponents, prior to the Effective Date, or the Liquidating Trust, following the Effective Date, object to any request for payment of a Cure Claim, the Bankruptcy Court shall determine the Allowed amount of such Cure Claim and any related issues. Unless the parties to the Executory Contract or Unexpired Lease agree otherwise, all disputed defaults that are required to be cured shall be cured by the later of (i) ten (10) days after entry of a Final Order determining the amount, if any, of the Debtors' liability with respect thereto and (ii) the Effective Date. The Plan Proponents, prior to the Effective Date, or the Liquidating Trust, following the Effective Date, reserve the right either to reject or nullify the assumption of any Executory Contract or Unexpired Lease no later than thirty (30) days after a Final Order determining a Cure Claim greater than that proposed by the Debtors.

ASSUMPTION OF ANY EXECUTORY CONTRACT OR UNEXPIRED LEASE PURSUANT TO THE PLAN OR OTHERWISE SHALL RESULT IN THE FULL RELEASE AND SATISFACTION OF ANY CLAIMS OR DEFAULTS, WHETHER MONETARY OR NONMONETARY, INCLUDING DEFAULTS OF PROVISIONS RESTRICTING THE CHANGE IN CONTROL OR OWNERSHIP INTEREST COMPOSITION OR OTHER BANKRUPTCY-RELATED DEFAULTS, ARISING UNDER ANY ASSUMED EXECUTORY CONTRACT OR UNEXPIRED LEASE AT ANY TIME BEFORE THE DATE OF THE DEBTORS OR THE LIQUIDATING TRUST ASSUME SUCH EXECUTORY CONTRACT OR UNEXPIRED LEASE. ANY PROOFS OF CLAIM FILED WITH RESPECT TO AN EXECUTORY CONTRACT OR UNEXPIRED LEASE THAT HAS BEEN ASSUMED SHALL BE DEEMED DISALLOWED AND EXPUNGED, WITHOUT FURTHER NOTICE TO OR ACTION, ORDER OR APPROVAL OF THE BANKRUPTCY COURT.

Neither the exclusion nor inclusion of any Executory Contract or Unexpired Lease on the Assumption Schedule, nor anything contained in the Plan or each Debtor's Schedules, shall constitute an admission by the Debtors that any such contract or lease is or is not in fact an Executory Contract or Unexpired Lease capable of assumption, that any Debtor has any liability thereunder or that such Executory Contract or Unexpired Lease is necessarily a binding and enforceable agreement. Further, the Plan Proponents expressly may (a) remove any Executory Contract or Unexpired Lease from the Assumption Schedule and reject an Executory Contract or Unexpired Lease pursuant to the terms of the Plan, up until the Effective Date and (b) contest

any Claim (or cure amount) asserted in connection with assumption of any Executory Contract or Unexpired Lease.

The assumption of Executory Contracts and Unexpired Leases under the Plan shall include the vesting of such contracts in the Liquidating Trust. The Confirmation Order will constitute an order of the Bankruptcy Court approving the above-described assumptions, assignments, and vesting.

In the event a written objection is filed with the Bankruptcy Court as to whether a contract or lease is executory or unexpired, the right of the Plan Proponents to move to assume or reject such contract or lease shall be extended until the date that is thirty (30) days after the entry of a Final Order by the Bankruptcy Court determining that the contract or lease is executory or unexpired, in which case the deemed assumptions and rejections provided for in the Plan shall not apply to such contract or lease.

C. Contracts and Leases Entered Into After the Petition Date

Counterparties to contracts and leases entered into after the Petition Date by a Debtor, including any Executory Contract or Unexpired Lease assumed by a Debtor, must File a proof of claim for an Administrative Claim against the appropriate Debtor by the Administrative Claims Bar Date or have their rights with respect to such Administrative Claims forever waived and released; provided that this provision shall not apply to any Ally Contract Claims. Executory Contracts and Unexpired Leases entered into after the Petition Date by any Debtor will vest in the Liquidating Trust. Accordingly, the Liquidating Trust shall be deemed a successor in interest to the Debtors under, and a beneficiary of, such contracts and unexpired leases, and any rights, obligations and benefits thereunder shall be transferred to the Liquidating Trust.

D. Pre-existing Obligations to the Debtors Under Executory Contracts and Unexpired Leases

Rejection of any Executory Contract or Unexpired Lease pursuant to this Plan or otherwise shall not constitute a termination of pre-existing obligations owed to the Debtors under such Executory Contract or Unexpired Lease. Notwithstanding any applicable non-bankruptcy law to the contrary, the Debtors expressly reserve and do not waive any right to receive, or any continuing obligation of a non-Debtor party to provide, warranties, indemnifications or continued maintenance obligations on goods previously purchased, or services previously received, by the contracting Debtors from non-Debtor parties to rejected Executory Contracts or Unexpired Leases, and any such rights shall vest in the Liquidating Trust as of the Effective Date.

E. Nonoccurrence of Effective Date

In the event that the Effective Date does not occur, the Bankruptcy Court shall retain jurisdiction with respect to any consensual request, pursuant to Bankruptcy Code section 365(d)(4), to extend the deadline for assuming or rejecting Executory Contracts and Unexpired Leases.

F. No Change in Control

The consummation of the Plan or the assumption of any Executory Contract or Unexpired Lease is not intended to, and shall not, constitute a change in ownership or change in control under any employee benefit plan or program, financial instrument, loan or financing agreement, Executory Contract or Unexpired Lease or contract, lease or agreement in existence on the Effective Date to which a Debtor is a party.

ARTICLE VI.

THE LIQUIDATING TRUST

Any Cash released from the Liquidating Trust Expenses Set Aside shall be available for distribution to the Unitholders, and any other assets released from the Liquidating Trust Expenses Set Aside shall become general, unrestricted assets of the Liquidating Trust.

The Administrative, Priority, Secured and Convenience Distribution Reserve shall be established on the Effective Date for the purpose of maintaining Cash from time to time necessary to satisfy (i) Administrative Claims, Priority Tax Claims, Other Priority Claims, Other

E. Liquidating Trust Governance

The affairs of the Liquidating Trust shall be managed by, or under the direction of, the Liquidating Trust Board, which shall consist of five (5) Liquidating Trustees, one of whom shall be selected by each of (i) MBIA, (ii) FGIC, (iii) the RMBS Trustees that are members of the Creditors' Committee, the Steering Committee Consenting Claimants and the Talcott Franklin Consenting Claimants, jointly, (iv) Paulson, and (v) the holders of Private Securities Claims, and such other Liquidating Trustees as agreed to by the Plan Proponents and the Consenting Claimants. The Liquidating Trust Board shall be authorized and empowered to undertake, acting through the management and agents of the Liquidating Trust, actions on behalf of the Liquidating Trust, including without limitation (i) to hold, manage, dispose and convert to Cash, the Liquidating Trust Assets, (ii) to maintain the Liquidating Trust Expenses Set Aside, the Disputed Claims Reserve, and the Administrative, Priority, Secured and Convenience Distribution Reserve, (iii) to appoint and supervise management and agents of the Trust and (iv) to prepare and review periodic financial reports of the Liquidating Trust.

The Liquidating Trust Board shall elect a Liquidating Trustee to act as the Chairman of the Liquidating Trust Board and may designate one or more committees of the Liquidating Trust Board. The Liquidating Trust Board shall appoint officers or other representative agents of the Liquidating Trust, including a Liquidating Trust manager and a secretary, to serve as the Liquidating Trust Management and carry out the purpose of the Liquidating Trust. The Liquidating Trust Management shall be authorized to hire employees and engage advisors and other professionals, subject to any limitations imposed by the Liquidating Trust Board.

F. Financial Statements/Reporting

The Liquidating Trust will provide or make available certain financial and other information, including annual and quarterly financial statements, and will also provide other information to the extent required to make the Units freely tradable in accordance with applicable securities laws.

G. Tax Treatment

1. *In General*

For all U.S. federal income tax purposes, all parties (including, without limitation, the Debtors, the Liquidating Trust Board and the Unitholders) shall treat the transfer of the Liquidating Trust Assets to the Liquidating Trust as:

- (a) a transfer of the Liquidating Trust Assets (subject to any obligations relating to those assets) directly to Unitholders, other than Liquidating Trust Assets that will be distributed pursuant to Article VII.B of the Plan or that are allocable to Disputed Claims (based on such Claims' Pro Rata Share of such Liquidating Trust Assets), followed by
- (b) the transfer by such Unitholders to the Liquidating Trust of such Liquidating Trust Assets in exchange for the Units.

Accordingly, those holders of Allowed Unsecured Claims receiving Units shall be treated for U.S. federal income tax purposes as the grantors and owners of their respective share of the Liquidating Trust Assets (other than such Liquidating Trust Assets that will be distributed pursuant to Article VII.B of the Plan or that are allocable to Disputed Claims). The foregoing treatment shall also apply, to the extent permitted by applicable law, for state and local income tax purposes.

2. <u>Tax Reporting.</u>

- (a) The Liquidating Trust shall file returns treating the Liquidating Trust as a grantor trust pursuant to Treasury Regulation section 1.671-4(a) and in accordance with this Article VI.G. The Liquidating Trust also shall annually send or otherwise make available to each holder of Units a separate statement setting forth the holder's share of items of income, gain, loss, deduction, or credit and will instruct all such holders to report such items on their U.S. federal income tax returns or to forward the appropriate information to their respective beneficial holders with instructions to report such items on their U.S. federal income tax returns. The Liquidating Trust Board also shall file (or cause to be filed) any other statements, returns, or disclosures relating to the Liquidating Trust that are required by any Governmental Unit.
- (b) As soon as possible after the Effective Date, the Liquidating Trust shall make a good-faith valuation of the Liquidating Trust Assets, and such valuation shall be made available from time to time, to the extent relevant, and shall be used consistently by all parties (including, without limitation, the Debtors, the Liquidating Trust, the holders of Allowed Unsecured Claims, and the Unitholders) for all U.S. federal income tax purposes.
- (c) Allocation of Liquidating Trust taxable income and loss among the Unitholders (other than taxable income and loss allocable to the Disputed Claims Reserve) shall be made pro rata to the Unitholders.
- (d) The Liquidating Trust shall (A) treat the Disputed Claims Reserve and Liquidating Trust Assets allocable thereto as a "disputed ownership fund" governed by Treasury

Regulation section 1.468B-9 by timely making an election and (B) to the extent permitted by applicable law, report consistently with the foregoing for state and local income tax purposes.

- (e) The Liquidating Trust shall be responsible for payment, out of the Liquidating Trust Assets, of any taxes imposed on the Liquidating Trust or the Liquidating Trust Assets, including the Disputed Claims Reserve. In the event, and to the extent, that any Cash retained on account of Disputed Claims of Liquidating Trust Unit Beneficiaries in the Disputed Claims Reserve is insufficient to pay the portion of any such taxes attributable to the taxable income arising from the assets allocable to, or retained on account of, such Disputed Claims, such taxes shall be (i) reimbursed from any subsequent Cash amounts retained on account of such Disputed Claims or (ii) to the extent such Disputed Claims subsequently have been resolved, deducted from any amounts otherwise distributable as a result of the resolution of such Disputed Claims.
- (f) The Liquidating Trust may request an expedited determination of taxes of the Liquidating Trust, including the Disputed Claims Reserve, under section 505(b) of the Bankruptcy Code for all returns filed for, or on behalf of, the Liquidating Trust for all taxable periods through the dissolution of the Liquidating Trust.

H. Duration

The Liquidating Trust shall be dissolved as soon as practicable after the date that is the earliest to occur of: (i) the distribution of all Liquidating Trust Assets available for distribution pursuant to the Plan, (ii) the determination of the Liquidating Trust Board that the administration of the Liquidating Trust Assets is not likely to yield sufficient additional proceeds to justify further pursuit, or (iii) all the distributions required to be made by the Liquidating Trust have been completed; provided, however, that in no event shall the Liquidating Trust be dissolved later than three (3) years from the Effective Date, unless the Bankruptcy Court, upon motion within the six (6) months prior to the third (3rd) anniversary of the Effective Date (or within six (6) months prior to the end of an extension period), determines that a fixed-period extension is necessary to facilitate or complete the recovery and liquidation of the Liquidating Trust Assets (without the need for a favorable private letter ruling from the Internal Revenue Service that any further extension would not adversely affect the status of the trust as a Liquidating Trust for United States federal income tax purposes).

I. Conflicting Terms To the extent that the terms of the Plan with respect to the Liquidating Trust are inconsistent with the terms set forth in the Liquidating Trust Agreement, then the terms of the Liquidating Trust Agreement shall govern.

J. Exculpation; Indemnification; Insurance

The Liquidating Trust Agreement shall provide for the following with respect to exculpation, indemnification, and insurance:

1. None of the Delaware Trustee, the Liquidating Trustees, the Liquidating Trust Management or Liquidating Trust Agents, or their respective advisors or professionals, shall be liable to the Liquidating Trust or any Unitholder for any damages arising out of the

creation, operation or termination of the Liquidating Trust, including actions taken or omitted in fulfillment of his or her duties with respect to the Liquidating Trust, except in the case of such party's gross negligence, bad faith or willful misconduct; provided, that in no event will any such party be liable for punitive, exemplary, consequential or special damages under any circumstances. Furthermore, no Liquidating Trustee shall be liable to the Liquidating Trust or any Unitholder for any action taken in good faith reliance upon the advice of Liquidating Trust Management.

- 2. None of the Delaware Trustee, the Liquidating Trustees, the Liquidating Trust Management or the Liquidating Trust Agents, when acting in such capacities, shall be subject to any personal liability whatsoever, whether in tort, contract or otherwise, to any person, other than the Liquidating Trust or the Liquidating Trust Unit Beneficiaries, in connection with the affairs of the Liquidating Trust to the fullest extent provided under section 3803 of the Delaware Statutory Trust Act, and all persons claiming against any of the Delaware Trustee, the Liquidating Trustees, the Liquidating Trust Management or Liquidating Trust Agent, or otherwise asserting claims of any nature in connection with affairs of the Liquidating Trust, shall look solely to the Liquidating Trust Assets for satisfaction of any such claims
- 3. The Liquidating Trust Board, the Delaware Trustee, the Liquidating Trust Management and their respective affiliates, and their respective officers, directors, partners, members, managers and employees shall be indemnified to the fullest extent permitted by law by the Liquidating Trust against all liabilities arising out of the creation, operation or termination of the Liquidating Trust, including actions taken or omitted in fulfillment of their duties with respect to the Liquidating Trust, except for those acts that are determined by Final Order to have arisen out of their own willful misconduct, gross negligence, or bad faith.
- **4.** The Liquidating Trust will maintain customary insurance coverage for the protection of the Liquidating Trustees, the Delaware Trustee and the Liquidating Trust Management from and after the Effective Date.

ARTICLE VII.

PROVISIONS GOVERNING ISSUANCE OF UNITS AND OTHER DISTRIBUTIONS

A. Applicability

The provisions of this Article VII shall govern distributions to the extent not otherwise provided for in the Plan or in any indenture, trust agreement or plan of allocation recognized under the Plan. To the extent the provisions of any such indenture, trust agreement or plan of allocation address specific matters set forth in this Article VII, the provision of such indenture, trust agreement or plan of allocation shall govern.

B. Cash Distributions

1. <u>Administrative, Priority, Secured and General Unsecured Convenience Claims</u>. On or as soon as practicable after the Effective Date, if the Debtors shall not otherwise have done

so, the Liquidating Trust, in its capacity as Disbursing Agent, shall make Cash distributions to holders of Allowed Administrative Claims, Allowed Priority Tax Claims, Allowed Other Priority Claims, Allowed Other Secured Claims, Junior Secured Notes Claims, Allowed ETS Unsecured Claims and Allowed General Unsecured Convenience Claims.

- 2. <u>Borrower Claims Trust</u>. On the Effective Date, the Debtors shall transfer the Borrower-Related Causes of Action to the Borrower Claims Trust. On or as soon as practicable after the Effective Date, if the Debtors shall not otherwise have done so, the Liquidating Trust, in its capacity as Disbursing Agent, shall fund the Borrower Claims Trust with \$57.6 million in Cash, subject to the Borrower Trust True-Up, and shall also make a one-time cash payment to the Borrower Claims Trust on the Effective Date in the amount set forth in the Borrower Claims Trust Agreement, which amount represents the amount of the administrative fees and expenses of the Borrower Claims Trust to be funded by the Liquidating Trust. Distributions to holders of Borrower Claims will be made in accordance with methodology, criteria and procedures established in the Borrower Claims Trust Agreement.
- 3. <u>NJ Carpenters Claims Settlement</u>. Assuming the NJ Carpenters Approval, if the Debtors shall not otherwise have done so, the Liquidating Trust, in its capacity as Disbursing Agent, shall fund the NJ Carpenters Claims Distribution with Cash within ten (10) Business Days of the Effective Date. Distributions to holders of NJ Carpenters Claims will be made in accordance with the methodology, criteria and procedures established in the NJ Carpenters Plan of Allocation.

C. Initial Issuance of Units and Distributions in Respect of Units by the Liquidating Trust

On the Initial Unit Distribution Date, the Liquidating Trust shall issue Units to the RMBS Claims Trust, the Private Securities Claims Trust, the Disputed Claims Reserve, and the holders of Allowed Unsecured Claims (other than RMBS Trust Claims and ETS Unsecured Claims), in each case, as of the Initial Unit Distribution Record Date, in accordance with the terms of the Plan, including the RMBS Trust Allocation Protocol.

Units shall entitle the holder thereof to receive a Pro Rata Unit Share of the distributions of Distributable Cash paid by the Liquidating Trust, when and as such distributions are made. Prior to making any distributions on the Units, the Liquidating Trust will (i) fund the Borrower Claims Trust with the Borrower Claims Trust Assets, and the NJ Carpenters Claims Distribution, and (ii) pay, or adequately reserve for the payment in full of, all Allowed Administrative Claims, Allowed Priority Tax Claims, Allowed Other Priority Claims, Allowed Other Secured Claims, and Junior Secured Notes Claims, and General Unsecured Convenience Claims, including funding the Administrative, Priority, Secured and Convenience Distribution Reserve. Distributions on account of Disputed Claims shall be made in accordance with Article VIII.D. of the Plan.

Units will be issued in global certificate form only and registered to DTC, with interests in the certificate being held through DTC participants, for so long as the Units are eligible to be held through DTC. Liquidating Trust Unit Beneficiaries must follow specified procedures to designate a direct or indirect DTC participant to receive their Units. The Units shall be freely

negotiable and transferrable, subject to restrictions under applicable securities laws. The Units shall not be listed on any national security exchange or interdealer quotation system, and the Liquidating Trust shall not take any action to promote or facilitate a trading market in the Units.

On each Distribution Date, pursuant to the Liquidating Trust Agreement, the Liquidating Trust (i) shall distribute to each Unitholder, on account of its Units, an amount equal to its respective Pro Rata Unit Share of the Distributable Cash, and (ii) shall deposit into the Disputed Claims Reserve the Pro Rata Unit Share of the Distributable Cash allocable to the Units held in the Disputed Claims Reserve. The initial distribution of Distributable Cash to the Unitholders shall be made by the Liquidating Trust on an initial Distribution Date as soon as practicable after the Effective Date. Subsequent Distribution Dates shall be determined by the Liquidating Trust Board from time to time, but shall occur no less frequently than at intervals provided in the Liquidating Trust Agreement, provided that the Liquidating Trust shall not be required to make a distribution if the aggregate Distributable Cash at the time would make the distribution impracticable, as determined by the Liquidating Trust Board.

Holders of Units shall not be entitled to interest on Cash distributions made in respect of such Units, regardless of when such distributions are made.

D. Fractional Units

No fractional Units shall be issued or distributed under the Plan. The actual distribution of Units shall be rounded to the next higher or lower whole number as follows: (i) fractions less than one-half ($\frac{1}{2}$) shall be rounded to the next lower whole number and (ii) fractions equal to or greater than one-half ($\frac{1}{2}$) shall be rounded to the next higher whole number. The total amount of Units to be distributed hereunder shall be adjusted as necessary to account for such rounding. No consideration shall be provided in lieu of fractional Units that are rounded down.

E. Timing and Calculation of Amounts to be Distributed

1. Distributions on Account of Claims Allowed as of the Effective Date

Except as otherwise provided in the Plan, on the Effective Date or as soon as practicable thereafter, each holder of an Allowed Claim against the Debtors as of the Effective Date shall receive the full amount of the distributions that the Plan provides for Allowed Claims in the applicable Class. In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date.

2. Distributions on Account of Claims Allowed After the Effective Date

If and to the extent that there are Disputed Claims, distributions on account of any such Disputed Claims shall be made to the extent such Claims are Allowed in accordance with the provisions set forth in Article VIII with respect to dispute resolution. Except as otherwise provided in the Plan, a Final Order, or as agreed to by the relevant parties, distributions under the Plan on account of Disputed Claims that become Allowed after the

Effective Date shall be made as soon as practicable after the Disputed Claim becomes an Allowed Claim.

Except as otherwise provided in the Plan, holders of Claims shall not be entitled to interest on the distributions provided for in the Plan, regardless of whether such distributions are delivered on or at any time after the Effective Date.

F. Disbursing Agent

1. Generally

All distributions under the Plan shall be made by the Liquidating Trust, as Disbursing Agent, or by such other Person designated by the Liquidating Trust to act as a Disbursing Agent. Except as otherwise ordered by the Bankruptcy Court, a Disbursing Agent shall not be required to give any bond or surety or other security for the performance of its duties.

2. Rights and Powers of the Disbursing Agent

The Disbursing Agent shall be empowered to: (a) effect all actions and execute all agreements, securities, instruments, and other documents necessary to perform its duties under the Plan; (b) make all distributions contemplated by the Plan; (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Disbursing Agent by order of the Bankruptcy Court, pursuant to the Plan, or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions of the Plan.

3. Expenses Incurred On or After the Effective Date

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and expenses incurred by a Person designated by the Liquidating Trust as Disbursing Agent on or after the Effective Date (including taxes) and any reasonable compensation and expense reimbursement claims (including reasonable attorney fees and expenses) made by the Disbursing Agent shall be paid in Cash by the Liquidating Trust from the Liquidating Trust Expenses Set Aside.

G. Delivery of Distributions and Undeliverable or Unclaimed Distributions

1. Delivery of Distributions

If a Creditor holds more than one Allowed Claim in any one Class, all Allowed Claims of the Creditor in a single Class will be aggregated into one Allowed Claim and one distribution will be made with respect to the aggregated Allowed Claim.

Distributions under this Plan to holders of Junior Secured Notes Claims shall be made to the Junior Secured Notes Indenture Trustee, which, subject to the right of the Junior Secured Notes Indenture Trustee to assert its Junior Secured Notes Indenture Trustee Charging Lien against such distributions, shall transmit such distributions to the holders of such Junior Secured Notes Claims as provided in the Junior Secured Notes Indenture.

Notwithstanding any provision contained in this Plan to the contrary, the distribution provisions contained in the Junior Secured Notes Indenture shall continue in effect to the extent necessary to authorize the Junior Secured Notes Indenture Trustee to receive and make distributions to the holders of Junior Secured Notes Claims and shall terminate completely upon completion of all such distributions. Notwithstanding anything to the contrary in this Plan, the Junior Secured Notes may continue to trade until the Junior Secured Notes Distribution Record Date. As of the close of business on the Junior Secured Notes Distribution Record Date, (i) the transfer books and records of the Junior Secured Notes as maintained by the Junior Secured Notes Indenture Trustee or its agent shall be closed, and (ii) any transfer of any Junior Secured Notes, Junior Secured Notes Claims or any interest therein shall be prohibited. The Debtors, the Liquidating Trust and the Junior Secured Notes Indenture Trustee shall have no obligation to recognize any transfer of any Junior Secured Notes, Junior Secured Notes Claims or any interest therein occurring after the close of business on the Junior Secured Notes Distribution Record Date, and shall instead be entitled to recognize and deal for all purposes under this Plan with only those holders of record as of the close of business on the Junior Secured Notes Distribution Record Date. The Junior Secured Notes Indenture Trustee may assert its rights under the Junior Secured Notes Indenture Trustee Charging Lien, including for the payment of any and all accrued Junior Secured Notes Indenture Trustee Fees and Junior Secured Notes Collateral Agent Fees and Expenses. The Junior Secured Notes Indenture Trustee may withhold distribution of any Cash it receives on account of the Junior Secured Notes Claims until such time as it determines that it has received sufficient payments to satisfy all accrued and reasonably expected Junior Secured Notes Indenture Trustee Fees and Junior Secured Notes Collateral Agent Fees and Expenses, and such payments shall be made in accordance with the requirements of the Junior Secured Notes Indenture and the Junior Secured Notes Security Agreement, as applicable.

Distributions under the Plan to Senior Unsecured Noteholders shall be made to the Senior Unsecured Notes Indenture Trustee for the benefit of the Senior Unsecured Noteholders and shall be deemed completed when made to the Senior Unsecured Notes Indenture Trustee. On the Effective Date, and subject to the provisions in paragraph IV.K. the Senior Unsecured Notes, the Senior Unsecured Notes Indenture and all other related documents will be deemed cancelled except as set forth herein. Notwithstanding the foregoing, the Senior Unsecured Notes may continue to trade until the Senior Unsecured Notes Indenture Trustee makes distributions of Units it has received to the Senior Unsecured Noteholders. The Senior Unsecured Notes Indenture Trustee may (a) assert its rights under the Senior Unsecured Notes Indenture Trustee Charging Lien, including for the payment of any and all accrued Senior Unsecured Note Indenture Trustee Fees and Expenses and (b) establish the Senior Unsecured Notes Indenture Trustee Reserve on any distribution of Units or Cash. The Senior Unsecured Notes Indenture Trustee may withhold distribution of the Units and any Cash it receives on account of such Units, until such time as it determines that it has received sufficient payment to satisfy the accrued Senior Unsecured Note Indenture Trustee Fees and Expenses and to fund the Senior Unsecured Notes Indenture Trustee Reserve. At such time, the Senior Unsecured Notes Indenture Trustee shall distribute such Units and any remaining Cash it has received on account of such Units to the Registered Holders of the Senior Unsecured Notes, which distributions shall satisfy the Senior Unsecured Notes Indenture Trustee's obligations hereunder. The Senior Notes Indenture

Trustee shall be reimbursed by the Liquidating Trust as a Disbursing Agent in accordance with the Plan. Notwithstanding the foregoing, in the event that the Units are not registered with DTC, the Senior Unsecured Notes Indenture Trustee shall not bear any responsibility for the distribution of the Units to the Senior Unsecured Noteholders and such distributions will be effected by the Disbursing Agent. Upon release by the Senior Unsecured Notes Indenture Trustee of any funds remaining in the Senior Unsecured Notes Indenture Trustee Reserve, such funds shall be delivered to the Senior Unsecured Noteholders.

Subject to the NJ Carpenters Approval, the distributions under the Plan to holders of NJ Carpenters Claims shall be made and deemed completed when made to the lead plaintiff in the NJ Carpenters Class Action or as the District Court may otherwise order. The RMBS Claims Trust Trustee shall be empowered to make distributions to holders of Recognized RMBS Claims, and any distributions to the RMBS Claims Trust for the benefit of holders of Recognized RMBS Claims by the Liquidating Trust, shall be deemed completed upon the funding of the RMBS Claims Trust. The Borrower Claims Trustee shall be empowered to make distributions to holders of Allowed Borrower Claims, and any distributions to or for the benefit of holders of Allowed Borrower Claims by the Debtors or Liquidating Trust shall be deemed completed upon the funding of the Borrower Claims Trust. The Private Securities Claims Trustee shall be empowered to make distributions to holders of Allowed Private Securities Claims Claims, and distributions to holders of Allowed Private Securities Claims shall be deemed completed upon the issuance of the Private Securities Claims Trust Unit Distribution to the Private Securities Claims Trust.

2. Distributions to Holders of Disputed Claims

Except as otherwise provided in the Plan or agreed to by the relevant parties: (a) no partial payments and no partial distributions shall be made with respect to a Disputed Claim until all such disputes in connection with such Disputed Claim have been resolved by settlement or Final Order and (b) any Entity that holds both an Allowed Claim and a Disputed Claim shall not receive any distribution on the Allowed Claim unless and until all objections to the Disputed Claim have been resolved by settlement or Final Order or the Claims have been Allowed or expunged. Any distributions arising from property distributed to holders of Allowed Claims in a Class and made to such holders under the Plan shall be made also, in the applicable amounts, to any holder of a Disputed Claim in such Class that becomes an Allowed Claim after the date or dates that such distributions were earlier made to holders of Allowed Claims in such Class.

3. Surrender of Junior Secured Notes and Senior Unsecured Notes

a. <u>Junior Secured Notes</u>. On the Effective Date, or as soon as reasonably practicable thereafter, the Junior Secured Notes Indenture Trustee, with the cooperation of the Debtors or the Liquidating Trust, as applicable, shall direct DTC and any other applicable securities depository to surrender the Junior Secured Notes to the Junior Secured Notes Indenture Trustee. All distributions by the Junior Secured Notes Indenture Trustee to Registered Holders of Junior Secured Notes Claims shall only be made to such holder after (i) the surrender by each such holder of the debt securities representing such Junior Secured Notes

Claim or appropriate instructions from the applicable securities depository have been received by the Junior Secured Notes Indenture Trustee; or (ii) the loss, theft, mutilation, or destruction of such debt securities has been established to the reasonable satisfaction of the Junior Secured Notes Indenture Trustee, which satisfaction may require such Registered Holder to submit a lost instrument affidavit and an indemnity bond holding the Debtors, the Liquidating Trust, and the Junior Secured Notes Indenture Trustee harmless in respect of such debt securities and distributions made in respect thereof. Each Registered Holder shall be deemed to have surrendered such debt securities as of the date it has complied with the foregoing conditions. Upon surrender of such debt securities, the Junior Secured Notes Indenture Trustee shall cancel and destroy such debt securities. As soon as practicable after the surrender date, the Junior Secured Notes Indenture Trustee shall distribute to the holder thereof such holder's pro rata share of the distribution, but subject to the rights of the Junior Secured Notes Indenture Trustee to assert its Junior Secured Notes Indenture Trustee Charging Lien against such distribution. Any Registered Holder that fails to surrender such debt securities or, if applicable, satisfactorily explain the loss, theft, or destruction of such debt securities to the Junior Secured Notes Indenture Trustee within one (1) year of the Effective Date shall be deemed to have no further Claim against the Debtors, the Liquidating Trust, or the Junior Secured Notes Indenture Trustee in respect of such Claim and shall not be entitled to receive any distribution under the Plan. All property in respect of such forfeited distributions, including interest thereon, shall, subject to the Junior Secured Notes Indenture Trustee Charging Lien, be promptly returned to the Liquidating Trust by the Junior Secured Notes Indenture Trustee and any such debt securities shall be cancelled.

b. Senior Unsecured Notes. On the Effective Date, or as soon as reasonably practicable thereafter, the Senior Unsecured Notes Indenture Trustee, with the cooperation of the Debtors or the Liquidating Trust, as applicable, shall advise DTC and any other applicable securities depository of the occurrence of such Effective Date and the cancellation of the Debtors obligations with respect to the Senior Unsecured Notes, but not to terminate the CUSIP or ISIN numbers of the Senior Unsecured Notes. At such time as the Senior Unsecured Notes Indenture Trustee is prepared to release the Units it received on account of the Senior Unsecured Notes Claims, it may request that such depositories surrender the Senior Unsecured Notes, if deemed appropriate, or with the cooperation of the Debtors or the Liquidating Trust, issue such other instructions to DTC and any other securities depository, as appropriate to effectuate the distributions contemplated under the Plan; provided, however, that nothing herein shall contravene the effectiveness of the Senior Unsecured Notes as set out in Article IV.K. No distributions under the Plan shall be made for or on behalf of a Registered Holder unless and until (i) such debt securities have been received by the applicable Indenture Trustee or other appropriate instructions have been issued or received by the applicable Indenture Trustee; or (ii) the loss, theft, or destruction of such debt securities has been established to the reasonable satisfaction of the Senior Unsecured Notes Indenture Trustee, which satisfaction may require such Registered Holder to submit a lost instrument affidavit and an indemnity bond holding the Debtors, the Liquidating Trust, and the Senior Unsecured Notes Indenture Trustee harmless in respect of such debt securities and any distributions to be made in respect thereof. Each Registered Holder shall be deemed to have surrendered such debt securities as of the date it has complied with the foregoing conditions. On such surrender or deemed surrender date, the Senior Unsecured Noteholders shall be entitled to receive distributions pursuant to the Plan.

If required by the Senior Unsecured Notes Indenture Trustee, any Registered Holder that fails to surrender such debt securities or, if applicable, satisfactorily explain the loss, theft, or destruction of such debt securities to the Senior Unsecured Notes Indenture Trustee within one (1) year of the Effective Date shall be deemed to have no further Claim against the Debtors, the Liquidating Trust, or the Senior Unsecured Notes Indenture Trustee in respect of such Claim and shall not be entitled to receive any distribution under the Plan. All property in respect of such forfeited distributions, including interest thereon, shall be promptly returned to the Liquidating Trust by such Indenture Trustee and any such debt securities shall be cancelled.

4. Minimum Distributions; Foreign Exchange Rate; and Other Distribution Limitations

Other than with respect to Allowed General Unsecured Convenience Claims and Allowed ETS Unsecured Claims, no Cash payment of less than \$50 shall be made to a holder of an Allowed Claim on account of such Allowed Claim. If a holder of an Allowed Claim would be entitled to receive less than \$50 as of the time of a particular distribution, but would be entitled to receive more than \$50 in combination with later distributions, the Disbursing Agent will combine such distributions with later distributions to such holder of an Allowed Claim so that such holder may eventually be entitled to a distribution of at least \$50 in value.

Whenever any payment of Cash of a fraction of a dollar pursuant to the Plan would otherwise be required, the actual payment shall reflect a rounding of such fraction to the nearest whole dollar (up or down), with half dollars or less being rounded down.

Except as otherwise provided in the Plan or a Bankruptcy Court order, as of the Effective Date, any Claim asserted in currency other than United States dollars shall be automatically deemed converted to the equivalent United States dollar value using the exchange rate as of the Petition Date as quoted at 4:00 p.m. (EDT), mid-range spot rate of exchange for the applicable currency as published in The Wall Street Journal, National Edition, on the Petition Date.

5. Undeliverable Distributions and Unclaimed Property

In the event that any distribution to a holder of an Allowed Claim is returned as undeliverable, no distribution to such holder shall be made unless and until the Disbursing Agent has determined the then current address of such holder, at which time such distribution shall be made to such holder without interest; provided, however, that such distributions shall be deemed unclaimed property under Bankruptcy Code section 347(b) at the expiration of six (6) months from the applicable date of distribution. After such date, all unclaimed property or interests in property shall revert to the Liquidating Trust (notwithstanding any applicable federal or state escheat, abandoned, or unclaimed property laws to the contrary), and the Claim of any holder to such property or interest in property shall be released, settled, compromised, and forever barred.

H. Compliance with Tax Requirements

In connection with the Plan, to the extent applicable, the Disbursing Agent shall comply with all tax withholding and reporting requirements imposed upon it by any Governmental Unit, and all distributions pursuant to the Plan shall be subject to such withholding and reporting requirements. Notwithstanding the above, each holder of an Allowed Claim that is to receive a distribution under the Plan shall have the sole and exclusive responsibility for the satisfaction and payment of any taxes imposed on such holder by any Governmental Unit, including income, withholding and other tax obligations, on account of such distribution. The Disbursing Agent has the right, but not the obligation, not to make a distribution until such holder has made arrangements satisfactory to the Disbursing Agent for payment of any such withholding tax obligations and, if the Disbursing Agent fails to withhold with respect to any such holder's distribution, and is later held liable for the amount of such withholding, the holder shall reimburse the Disbursing Agent. Notwithstanding any provision in the Plan to the contrary, the Disbursing Agent shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including liquidating a portion of the distribution to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, withholding distributions pending receipt of information necessary to facilitate such distributions, or establishing any other mechanisms it believes are reasonable and appropriate. The Disbursing Agent may require, as a condition to the receipt of a distribution, that the holder complete the appropriate Form W-8 or Form W-9, as applicable to each holder. If the holder fails to comply with such a request within six months, such distribution shall be deemed an unclaimed distribution. Finally, the Disbursing Agent reserves the right to allocate all distributions made under the Plan in compliance with all applicable wage garnishments, alimony, child support, and other spousal awards, Liens, and encumbrances.

I. Allocations

Distributions in respect of Allowed Claims shall be allocated first to the principal amount (as determined for federal income tax purposes) of such Claims, and then, to the extent the consideration exceeds the principal amount of such Claims, to any portion of such Claims for accrued but unpaid interest, <u>provided</u>, <u>however</u>, that distributions on the RMBS Trust Claims shall be allocated pursuant to the RMBS Trust Allocation Protocol described in Article IV herein.

J. Setoffs and Recoupment

The Liquidating Trust may, but shall not be required to, setoff against or recoup from any Claims of any nature whatsoever that it may have against the claimant, including any Causes of Action transferred to the Liquidating Trust by the Debtors, but neither the failure to do so nor the Allowance of any Claim shall constitute a waiver or release by the Debtors or the Liquidating Trust of any such Claim it may have against the holder of such Claim.

Before the Liquidating Trust can set-off or recoup against the distribution to be made on account of an Allowed Claim, the holder of the Claim shall be served with written notice of the proposed setoff or recoupment at least thirty (30) days prior to the Liquidating Trust exercising

any asserted setoff or recoupment right, and, if such claimant serves a written objection to such asserted setoff or recoupment on or before thirty (30) days of receipt of such written notice, (i) the objection shall be deemed to initiate a contested matter governed by, inter alia, Bankruptcy Rule 9014 and Local Bankruptcy Rules 9014-1 and 9014-2, (ii) nothing herein shall affect the respective burden of each party in connection with such contested matter, and (iii) the Liquidating Trust shall not proceed with the asserted setoff or recoupment absent the withdrawal of such objection or the entry of a Final Order overruling such objection.

K. Claims Paid or Payable by Third Parties

1. Claims Paid by Third Parties

Except as otherwise provided herein, including with respect to the Ally Contract Claims, the Debtors, on or prior to the Effective Date, or the Liquidating Trust, after the Effective Date, shall reduce a Claim, and such Claim shall be disallowed without a Claims objection having to be Filed and without any further notice, action, order, or approval of the Bankruptcy Court, to the extent that the holder of such Claim receives payment on account of such Claim from a party that is not a Debtor, the Liquidating Trust, or other party making distributions on account of the Claim pursuant to the Plan.

2. Claims Payable by Insurers

- (a) <u>Distributions</u>. Except as otherwise provided herein, including with respect to the rights of (i) the Kessler Settlement Class and (ii) other creditors who have entered into a settlement agreement with the Debtors prior to the Effective Date, in and to the GM Insurance Rights as provided herein and in the Kessler Settlement Agreement, and the Ally Contract Claims:
 - (i) No distributions under the Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' insurance policies, excluding the GM Policies, until the holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy; and
 - (ii) to the extent that one or more of the Debtors' insurers agrees to satisfy in full a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such insurers' payment, such Claim may be expunged without an objection to such Claim having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court,

<u>provided</u>, that if a Debtor or the Liquidating Trust believes a holder of an Allowed Claim has recourse to an insurance policy and intends to withhold a distribution pursuant to this Article VII.K, the Debtor, prior to the Effective Date, or Liquidating Trust, following the Effective Date, shall provide written notice to such holder as to what the Debtor or Liquidating Trust believes to be the nature and scope of applicable insurance coverage.

- (b) <u>Insurance Neutrality</u>. Except as set forth below in VII.K.2.(e), nothing contained in this Plan, in the Disclosure Statement, in the Liquidating Trust Agreement, or in the Borrower Claims Trust Agreement (including addendums, exhibits, schedules, or supplements to the Plan, Disclosure Statement, Liquidating Trust Agreement, or Borrower Claims Trust Agreement, and including any provision that purports to be preemptory or supervening), shall in any way operate to, or have the effect of, impairing, altering, supplementing, changing, expanding, decreasing, or modifying the rights under the GM Policies of any of those insurers that issued the GM Policies (the "GM Insurers"). Except as set forth below in VII.K.2.(e), for all issues of insurance coverage or otherwise, the provisions, terms, and conditions of the GM Policies, as construed under applicable non-bankruptcy law, shall control.
- (c) <u>Preservation of Insurance-Related Causes of Action</u>. Nothing contained in this Plan, in the Disclosure Statement, in the Liquidating Trust Agreement, or in the Borrower Claims Trust Agreement (including addendums, exhibits, schedules, or supplements to the Plan, Disclosure Statement, Liquidating Trust Agreement, or Borrower Claims Trust Agreement, and including any provision that purports to be preemptory or supervening), shall in any way operate to, or have the effect of, impairing, reducing, decreasing, or impeding any Cause of Action that the Debtors, the Liquidating Trust, or any Entity may hold against any insurers under any policies of insurance.
- (d) <u>Settlement Insurance Policies</u>. Nothing contained in this Article VII of the Plan shall impair, reduce, decrease, or impede Ally's rights under the Plan to recover from the Settlement Insurance Policies or any of its other insurance policies.
- (e) <u>Defenses to Assignment of Rights</u>. The GM Insurers shall be deemed to have waived any defense to coverage that is based on the assertion that the transfer of the insurance rights in this Plan are invalid, unenforceable or otherwise breach the terms of the GM Policies. For the avoidance of doubt, as set forth in VII.K.2.(b), all other rights and defenses shall remain unaffected by the Plan, the Disclosure Statement, and the Liquidating Trust Agreement, and the Borrower Claims Trust Agreement.

L. Allowed Unsecured Claims for Which More than One Debtor in a Debtor Group Is Jointly and/or Severally Liable

Where a Creditor holds Allowed Unsecured Claims for which more than one Debtor in a Debtor Group is jointly and/or severally liable, such creditor shall only receive one recovery from the Debtor Group on account of such Claim. This provision shall not affect distributions on account of such Creditor's Allowed Claims, if any, against the Debtors in another Debtor Group.

M. Distributions Free and Clear

Except as otherwise provided herein, any distributions under this Plan shall be free and clear of any Liens, Claims, and encumbrances, and no other Entity, including the Debtors, the Liquidating Trust, or the Disbursing Agent shall have any interest (legal, beneficial or otherwise) in property of the Estate distributed pursuant to this Plan, except that (i) distributions on account

of Senior Unsecured Note Claims shall remain subject to the Senior Unsecured Notes Indenture Trustee Charging Lien, and (ii) distributions on account of Junior Secured Notes Claims shall remain subject to the Junior Secured Notes Indenture Trustee Charging Lien.

ARTICLE VIII.

PROCEDURES FOR RESOLVING DISPUTED CLAIMS

A. Resolution of Disputed Claims

1. Applicability

The provisions of this Article VIII shall govern the resolution of Disputed Claims to the extent not otherwise provided for in this Plan or in any other trust agreement (such as the RMBS Claims Trust Agreement, the Private Securities Claims Trust Agreement or the Borrower Claims Trust Agreement) or plan of allocation (such as the RMBS Trust Allocation Protocol) approved under this Plan. To the extent the provisions of any such trust agreement or plan of allocation address specifically matters set forth in this Article VIII, the provision of such trust agreement or plan of allocation shall govern.

2. Allowance of Claims

On or after the Effective Date, the Liquidating Trust shall have and shall retain any and all rights and defenses that the Debtors had with respect to any Claim, except with respect to any Claim (i) deemed Allowed as of the Effective Date or (ii) waived, relinquished, exculpated, released, compromised, settled, or Allowed in the Plan or in a Final Order. Except as otherwise provided in the Plan or in any order entered in the Chapter 11 Cases prior to the Effective Date, including the Confirmation Order, no Claim shall become an Allowed Claim unless and until such Claim is deemed Allowed (a) under the Plan or the Bankruptcy Code or (b) by Final Order of the Bankruptcy Court, including the Confirmation Order.

3. Prosecution of Objections to Claims

On the Effective Date, the Liquidating Trust will have the exclusive authority to: (a) File, withdraw, or litigate to judgment, objections to Claims or Equity Interests (other than Borrower Claims, Private Securities Claims, and the NJ Carpenters Claims); (b) settle or compromise (or decline to do any of the foregoing) any Disputed Claim (other than Borrower Claims, Private Securities Claims, and NJ Carpenters Claims) or Cause of Action (other than the Borrower-Related Causes of Action) without any further notice to or action, order, or approval by the Bankruptcy Court; and (c) administer and adjust the Claims Register to reflect any such settlements or compromises without any further notice to or action, order, or approval by the Bankruptcy Court.

4. Claims Estimation

The Plan Proponents, prior to the Effective Date, or the Liquidating Trust or Borrower Claims Trust (to the extent provided for in the Borrower Claims Trust Agreement), as applicable, following the Effective Date, may request that the Bankruptcy Court estimate any disputed, contingent, or unliquidated Claim to the extent permitted by Bankruptcy Code section 502(c) regardless of whether the Plan Proponents (prior to the Effective Date) or the Liquidating Trust or Borrower Claims Trust (following the Effective Date) has previously objected to such Claim or whether the Bankruptcy Court has ruled on any such objection. Among other things, the Plan Proponents may request that the Bankruptcy Court estimate the Recognized RMBS Claims in the amounts set out in the RMBS Trust Claims Schedules for the purpose of implementing the RMBS Trust Allocation Protocol. Bankruptcy Court shall have jurisdiction to estimate any Claim at any time during litigation concerning any objection to such Claim, including during the pendency of any appeal relating to any such objection. Except as set forth below with respect to reconsideration under section 502(j) of the Bankruptcy Code, in the event that the Bankruptcy Court estimates any Disputed Claim, contingent Claim, or unliquidated Claim, that estimated amount shall constitute either the Allowed amount of such Claim or a maximum limitation on such Claim for all purposes under this Plan, including for purposes of distributions. If the estimated amount constitutes a maximum limitation on such Claim, the Liquidating Trust or Borrower Claims Trust (to the extent provided for in the Borrower Claims Trust Agreement) may elect to pursue any supplemental proceedings to object to any ultimate distribution on account of such Claim. Notwithstanding section 502(j) of the Bankruptcy Code, in no event shall any holder of a Claim that has been estimated pursuant to section 502(c) of the Bankruptcy Code or otherwise be entitled to seek reconsideration of such estimation unless such holder has Filed a motion requesting the right to seek such reconsideration on or before twenty-one (21) days after the date on which such Claim is estimated. All of the aforementioned Claims and objection, estimation, and resolution procedures are cumulative and not exclusive of one another. Claims may be estimated and subsequently compromised, settled, withdrawn, or resolved by any mechanism approved by the Bankruptcy Court.

5. Expungement or Adjustment of Claims Without Objection

Any Claim that has been paid, satisfied, or superseded may be expunged on the Claims Register by the Debtors' notice and claims agent, and any Claim that has been amended may be adjusted thereon by the Debtors' notice and claims agent, in both cases without a Claims objection having to be Filed and without any further notice to or action, order or approval of the Bankruptcy Court.

6. Deadline to File Claims Objections

Any objections to Claims shall be Filed by no later than the applicable Claims Objection Deadline.

B. Disallowance of Claims

Any Claims held by an Entity from which property is recoverable under Bankruptcy Code sections 542, 543, or 550, or that is a transferee of a transfer avoidable under Bankruptcy Code sections 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a), shall be deemed disallowed pursuant to Bankruptcy Code section 502(d), and holders of such Claims may not receive any distributions on account of such Claims until such time as such Causes

of Action against that Entity have been settled or a Final Order with respect thereto has been entered and all sums due, if any, by that Entity have been turned over or paid by such Entity to the Debtors or the Liquidating Trust.

EXCEPT AS OTHERWISE AGREED BY THE DEBTORS, THE LIQUIDATING TRUST, OR THE BORROWER CLAIMS TRUST, AS APPLICABLE, OR ORDERED BY THE BANKRUPTCY COURT, ANY AND ALL PROOFS OF CLAIM FILED AFTER THE APPLICABLE BAR DATE SHALL BE DEEMED DISALLOWED, DISCHARGED, RELEASED, AND EXPUNGED AS OF THE EFFECTIVE DATE WITHOUT ANY FURTHER NOTICE TO OR ACTION, ORDER, OR APPROVAL OF THE BANKRUPTCY COURT, AND HOLDERS OF SUCH CLAIMS MAY NOT RECEIVE ANY DISTRIBUTIONS ON ACCOUNT OF SUCH CLAIMS, UNLESS SUCH LATE PROOF OF CLAIM IS DEEMED TIMELY FILED BY A FINAL ORDER OF THE BANKRUPTCY COURT.

C. Amendments to Claims

On or after the Effective Date, a Claim may not be Filed or amended without prior authorization of the Bankruptcy Court, the Liquidating Trustees, or the Borrower Claims Trustee, as applicable, and any such new or amended Claim Filed without such prior authorization shall be deemed disallowed in full and expunged without any further action.

D. Disputed Claims Reserve

The provisions of this Article VIII.D shall apply to Disputed Claims held by Liquidating Trust Unit Beneficiaries.

To effect distributions to holders of Allowed Unsecured Claims in a timely manner, prior to the Effective Date, the Plan Proponents shall file a motion for an order establishing the Disputed Claims Reserve with respect to unliquidated and/or Disputed Claims. The Disputed Claims Reserve shall be issued a number of Units equal to the amount sufficient to provide the distributions to which holders of Disputed Claims would be entitled under the Plan as of such date as if the Disputed Claims were Allowed Claims either in the amounts of the Claims as filed or in such amounts as estimated in accordance with Article VIII.A.4. The Disputed Claims Reserve shall also hold the Cash distributed with respect to such Units, provided that in its discretion, the Liquidating Trust Board may substitute non-Cash assets for Cash distributed in respect of Units held in the Disputed Claims Reserve, which non-Cash assets may be monetized from time to time by the Disputed Claim Reserve; provided, however, that distributions from the Disputed Claims Reserve shall only be made in Units and Cash; and provided further that in connection with any such substitution of non-Cash assets, the Liquidating Trust Board shall give due consideration to the timing and amount of scheduled and anticipated payments and both the fair market value and the timing of monetization of such non-Cash assets, so as to enable the Liquidating Trust to distribute Cash in respect of Units that are released from the Disputed Claims Reserve as such Cash distributions are due.

Disputed Claims that become Allowed, in whole or in part, shall be satisfied exclusively out of the Disputed Claims Reserve. The holder of a Disputed Claim that becomes Allowed, in

whole or in part, shall receive a number of Units and amount of Cash equal to the number of Units and amount of Cash such holder would have received in accordance with the provisions of the Plan had such Claim been Allowed as of the Initial Unit Distribution Record Date. In the event the Units, and the Cash distributed with respect thereto, remaining in the Disputed Claims Reserve shall be insufficient to satisfy all the Disputed Claims that have become Allowed and are due to be satisfied with distributions from the Disputed Claims Reserve on any Unit Distribution Date, such Disputed Claims shall be satisfied Pro Rata from the Disputed Claims Reserve. After all Units, and the Cash distributed with respect thereto, have been distributed from the Disputed Claims Reserve, no further distributions shall be made in respect of Disputed Claims.

If a Disputed Claim is disallowed, in whole or in part, then on the Unit Distribution Date next following the date of determination of such disallowance, unless the Liquidating Trust Board determines otherwise, there shall be released from the Disputed Claims Reserve, (i) a number of Units equal to the Units that would have been released from the Disputed Claims Reserve to the holder thereof had such Claim been Allowed in the as-filed or estimated amount, as applicable, of such Claim, or disallowed portion thereof if such Claim is disallowed in part, which Units shall be cancelled and retired and (ii) Cash, in the amount of such distribution made to the Disputed Claims Reserve in respect of such Units since the Effective Date, which shall then be unreserved and unrestricted, and which shall be added to the Liquidating Trust Expenses Set Aside or available for distribution to the Unitholders, as determined by the Liquidating Trust Board.

If the Liquidating Trust Board at any time determines that it is not necessary to hold in the Disputed Claims Reserve all of the Units and Cash and other assets, if any, contained therein in order to satisfy all Disputed Claims of Liquidating Trust Unit Beneficiaries, the Liquidating Trust Board may, but shall not be required to, cancel such number of Units in the Disputed Claims Reserve as it determines is not required for the satisfaction of Disputed Claims and release from the Disputed Claims Reserve for distribution to Unitholders, or for deposit to the Liquidating Trust's Administrative Reserve, some or all of the Cash previously deposited to the Disputed Claims Reserve in respect of such Units. Any non-Cash assets released from the Disputed Claims Reserve shall become general, unrestricted assets of the Liquidating Trust. At such time as all Disputed Claims of the Liquidating Trust Unit Beneficiaries have been resolved, any remaining Units in the Disputed Claims Reserve shall be cancelled and any remaining Cash in the Disputed Claims Reserve shall be released from the Disputed Claims Reserve for application as aforesaid.

ARTICLE IX.

SETTLEMENT, RELEASE, INJUNCTION, AND RELATED PROVISIONS

A. Compromise and Settlement of Claims, Equity Interests, and Controversies

In accordance with section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, and in consideration for the distributions and other benefits provided pursuant to the Plan, the provisions of the Plan shall constitute a good faith compromise of all Claims, Interests

and controversies relating to the contractual, legal and subordination rights that a holder of a Claim may have with respect to any Allowed Claim or Equity Interest, or any distribution to be made on account of such Allowed Claim or Equity Interest. The entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of the compromise or settlement of all such Claims, Interests and controversies, as well as a finding by the Bankruptcy Court that such compromise or settlement is in the best interests of the Debtors, their Estates and holders of Claims and Equity Interests and is fair, equitable and reasonable. In accordance with the provisions of the Plan, pursuant to section 363 of the Bankruptcy Code and Bankruptcy Rule 9019(a), without any further notice to or action, order or approval of the Bankruptcy Court, after the Effective Date, the Liquidating Trust may compromise and settle Claims against the Debtors and Causes of Action against other Entities.

B. Release of Liens

Except as otherwise provided in the Plan or in any contract, instrument, release, or other agreement or document created pursuant to the Plan, on the Effective Date and concurrently with the applicable distributions made pursuant to the Plan and, in the case of any Secured Claim, satisfaction in full of the portion of the Secured Claim that is Allowed as of the Effective Date, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates shall be fully released and discharged, and all of the right, title, and interest of any holder of such mortgages, deeds of trust, Liens, pledges, or other security interests shall vest in the Liquidating Trust.

C. Releases by the Debtors

Pursuant to section 1123(b) of the Bankruptcy Code, for good and valuable consideration, including with respect to the Ally Released Parties, the Ally Contribution provided to the Estates under the Plan and otherwise, on and as of the Effective Date of the Plan, the Debtor Released Parties are deemed released and discharged by the Debtors, the Estates and the Liquidating Trust from any and all Causes of Action whatsoever, whether known or unknown, asserted or unasserted, derivative or direct, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, whether for tort, fraud, contract, violations of federal or state securities laws, or otherwise, including those Causes of Action based on avoidance liability under federal or state laws, veil piercing or alter-ego theories of liability, a theory of debt recharacterization, or equitable subordination liability, arising from or related in any way to the Debtors, including those that any of the Debtors would have been legally entitled to assert against a Debtor Released Party in its own right (whether individually or collectively) or that any holder of a Claim or Equity Interest, the Liquidating Trust, or other Entity would have been legally entitled to assert on behalf of any of those Debtors or any of their Estates, including those in any way related to the Chapter 11 Cases or the Plan to the fullest extent of the law.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, under section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, of the Debtor Release, which includes by reference each of the related provisions and definitions contained in the Plan, and further, shall constitute the Bankruptcy Court's finding that the

Debtor Release is: (1) in exchange for the good and valuable consideration provided by the Debtor Released Parties; (2) a good faith settlement and compromise of the claims released by the Debtors' release; (3) in the best interests of the Debtors, the Estates, the Liquidating Trust and all holders of Claims and Equity Interests; (4) fair, equitable and reasonable; (5) given and made after due notice and opportunity for a hearing; and (6) a bar to the Debtors, the Liquidating Trust and any holder of a Claim or Equity Interest or other Entity who would have been legally entitled to assert such Claim or Equity Interest on behalf of any of the Debtors or any of their Estates from asserting any Claim or Cause of Action released pursuant to the Debtors' release.

D. Third Party Release

On and as of the Effective Date of the Plan, except as provided by Article IX.E, the holders of Claims and Equity Interests shall be deemed to provide a full and complete discharge and release to the Ally Released Parties and their respective property from any and all Causes of Action whatsoever, whether known or unknown, asserted or unasserted, derivative or direct, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, whether for tort, fraud, contract, violations of federal or state securities laws, veil piercing or alter-ego theories of liability, contribution, indemnification, joint liability, or otherwise, arising from or related in any way to the Debtors, including those in any way related to RMBS issued and/or sold by the Debtors or their affiliates and/or the Chapter 11 Cases or the Plan, the Consent Order, and the Order of Assessment.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, under section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, of the Third Party Release, and further, shall constitute the Bankruptcy Court's finding that this Third Party Release is: (1) in exchange for the good, valuable and substantial consideration provided by the Ally Released Parties; (2) in the best interests of the Debtors, the Estates, the Liquidating Trust and all holders of Claims and Equity Interests; (3) fair, equitable and reasonable; (4) given and made after due notice and opportunity for a hearing; (5) justified by truly unusual circumstances; (6) an essential component and critical to the success of the Plan; (7) resulted in distributions to the Creditors that would otherwise have been unavailable; (8) the result of an identity of interest between the Debtors and the Ally Released Parties regarding the Plan; and (9) a bar to any party asserting a claim or cause of action released pursuant to this Third Party Release against any of the Ally Released Parties.

E. Third Party Release Carve-Out

Notwithstanding anything to the contrary herein, the Third Party Release shall not apply to any claims held by: (i) the FHFA, as conservator for Fannie Mae, and/or Fannie Mae against Ally Bank, including, without limitation, any claims of FHFA and/or Fannie Mae against Ally Bank for continuing liabilities, obligations, and duties owed by Ally Bank to FHFA and/or Fannie Mae under the Fannie Mae Contract, including the obligations and duties to honor all selling and servicing representations and warranties related to the portfolio of loans sold and/or serviced, or that were previously serviced, by Ally Bank; (ii) the FHFA and/or Freddie Mac (a) against Ally Bank for any selling and servicing representation and warranty claims for loans sold

to Freddie Mac directly by Ally Bank subsequent and pursuant to the May 1, 2012 and August 1, 2012 master selling and servicing agreements among Ally Bank and Freddie Mac, and (b) against Ally Financial Inc. as guarantor for the limited time that the Debtors subserviced the Ally Bank loans sold pursuant to the agreements set forth in clause (a) above, (iii) the United States and the DOJ/AG Settling States with regard to any monetary obligation the Ally Released Parties may have arising under the DOJ/AG Settlement or causes of action preserved under Article V and Exhibits F and G of the DOJ/AG Settlement; and shall not apply to (iv) any liability or obligation of AFI to the United States or the States arising under the Internal Revenue Code, environmental laws, civil fraud laws, or criminal laws, including, but not limited to, any such liability or obligation preserved under Article V and Exhibits F and G of the DOJ/AG Settlement.

Nothing herein is intended to expand any liabilities under any agreement set forth above or applicable law; the carve outs set forth above in clauses (ii) and (iii) are limited to liabilities under agreements referenced therein and Ally expressly reserves all rights, claims, and defenses against persons and entities carved out under this Article IX.E. regarding any liability that is the subject of this Article IX.E.

For the avoidance of doubt, no party can assert claims, causes of actions or liabilities against the Debtors or Liquidating Trust arising from claims that are carved out under Article IX.E(i).

Nothing in the Plan releases AFI or any other party from the obligations under the Employees Retirement Plan for GMAC Mortgage Group, LLC (the "Pension Plan") and ERISA. Notwithstanding the foregoing, upon the Effective Date, the Debtors and the Plan Trusts shall be released from all obligations under the Pension Plan and ERISA related thereto, except for any Claims for fiduciary breaches or prohibited transactions (as defined in ERISA) relating to the Pension Plan under applicable law.

F. Ally Release

Except with respect to the Ally Contract Claims, on and as of the Effective Date of the Plan, the Ally Released Parties shall release the Creditors' Committee, the Debtors, and the Consenting Claimants and their respective successors and assigns, members, partners, advisors, and Representatives, in their capacities as such, from any and all Causes of Action whatsoever, whether known or unknown, asserted or unasserted, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise arising from or related to the Debtors' liquidation, including the negotiation, formulation, or preparation of the Plan Support Agreement, the Plan, the Disclosure Statement, and any other Plan Documents and related disclosures, as well as any counterclaims in commenced or tolled litigation with the Debtors or the Consenting Claimants.

G. Junior Secured Notes Releases

On and as of the Effective Date, (i) each of the Consenting JSNs, the Junior Secured Notes Indenture Trustee, the Junior Secured Notes Predecessor Indenture Trustee, the Ad Hoc Group, and the Junior Secured Notes Collateral Agent, and each of their predecessors,

successors, and assigns, group members (except any such member of the Ad Hoc Group that voted to reject the Plan and has not changed its vote to accept the Plan by the Confirmation Date), general partners, advisors, and Representatives, each solely in their capacities as such, shall release (a) each other, and (b) the Debtors, the Creditors' Committee, each of the Consenting Claimants, and the Ally Released Parties, and each of predecessors, successors and assigns, members, partners, advisors, Representatives, each solely in their capacities as such; and (ii) the Debtors, the Creditors' Committee, each of the Consenting Claimants, and the Ally Released Parties and each of their successors and assigns, group members, general partners, advisors, and Representatives, each solely in their capacities as such, shall release the Consenting JSNs, the Junior Secured Notes Indenture Trustee, the Junior Secured Notes Predecessor Indenture Trustee, the Ad Hoc Group, and the Junior Secured Notes Collateral Agent and each of their predecessors, successors, and assigns, members (except any such member of the Ad Hoc Group that voted to reject the Plan and has not changed its vote to accept the Plan by the Confirmation Date), partners, advisors, and Representatives, each solely in their capacities as such, in the case of (i) and (ii) above from any and all Claims and Causes of Action whatsoever, whether known or unknown, asserted or unasserted, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise arising from or related to the Debtors, including, without limitation, any right to seek sanctions, take discovery, or initiate any investigation or examination pursuant to Bankruptcy Rule 2004 or any other similar action, all of which shall be considered Released Claims under the Plan; it being understood and agreed that the Claims and Causes of Action being released pursuant to this Article IX.G are limited to those Claims and Causes of Action arising from or related to the JSN Documents and each Person's conduct and participation in the Chapter 11 Cases and shall not include any Claims or Causes of Action that a Person holds in any other capacity or arising under any other documents or facts and circumstances; provided, however, that nothing in this release shall limit the rights of the Junior Secured Notes Indenture Trustee to receive and make distributions as provided in the Junior Secured Notes Indenture and as provided and preserved in the Plan. Notwithstanding anything to the contrary contained in this Article IX.G., any Person (other than a Person that is itself a member of the Ad Hoc Group or a Junior Secured Noteholder, in each case that is also a Consenting JSN) that is a former, present or future parent, affiliate, member, member firm, associated entity, shareholder, principal, limited partner, equity investor, or managed entity (along with the respective attorneys, financial advisors, investment advisors, employees, officers, directors, managers, agents and other authorized representatives of each of the foregoing) of a Consenting Claimant or a Junior Secured Noteholder that is a Consenting JSN, in each case solely in their capacities as such, shall be the recipient of, but shall not itself grant to any other Person, the release provided for by this Article IX.G. Notwithstanding the above, nothing contained in this Article IX.G in any way limits Article IX.D.

H. Exculpation

The Exculpated Parties shall neither have, nor incur, any liability to any entity for any pre-petition or post-petition act or omission taken in connection with, or related to, formulating, negotiating, preparing, disseminating, soliciting, implementing, administering, confirming, or effecting the consummation of any prepetition plan support agreements, the

Plan Support Agreement, the Plan, the Disclosure Statement, the FGIC Settlement Agreement, the Kessler Settlement Agreement, the RMBS Settlement, the settlement of the Junior Secured Notes Claims as provided in this Plan, or any contract, instrument, release, or other agreement or document created or entered into in connection with the Plan, provided, however, that the foregoing provisions of this Exculpation shall have no effect on the liability of any entity that results from any such act that is determined in a final, nonappealable order to have constituted gross negligence or willful misconduct; provided, however, that the Exculpated Parties shall be entitled to rely upon the advice of counsel and financial advisors concerning his, her, or its duties pursuant to, or in connection with, any prepetition plan support agreement, the Plan Support Agreement, the Plan, the Disclosure Statement, the FGIC Settlement Agreement, the Kessler Settlement Agreement, the RMBS Settlement, and the settlement of the Junior Secured Notes Claims as provided in this Plan. Notwithstanding the foregoing or any other provision in this Plan to the contrary, as to the DOJ-Represented Agencies, nothing in this paragraph shall release or exculpate any of the Exculpated Parties from any liability or obligation to the DOJ-Represented Agencies for any pre-petition act or omission, or from any liability or obligations arising under the tax laws, the environmental laws, civil fraud laws, criminal laws, or the police or regulatory powers of the United States, except (i) to the extent the applicable Bar Date or the discharge, release or injunction provisions of the Plan bar the United States from pursuing Claims against the Debtors or the Liquidating Trust and (ii) to the extent the United States released or settled any causes of action against any of the Exculpated Parties, including but not limited to under the DOJ/AG Settlement (including exhibits). For the avoidance of doubt, nothing in the foregoing provisions shall release or exculpate the Ally Released Parties from any claims or obligations to the United States and the DOJ/AG Settling States arising under the DOJ/AG Settlement or causes of action preserved under Article V and Exhibits F and G of the DOJ/AG Settlement.

I. Injunction

Except as otherwise provided in the Confirmation Order or herein and in accordance with Article IX.E hereof, all Entities, including Investors, who have held, hold or may hold Claims, Equity Interests, Causes of Action or liabilities that constitute Released Claims, are permanently enjoined and precluded, from and after the effective date of the Plan, from: (a) commencing or continuing in any manner or action or other proceeding of any kind against any Released Party whether directly, derivatively or otherwise, on account of or in connection with or with respect to any Released Claims; (b) enforcing, attaching, collecting or recovering by any manner or means any judgment, award, decree or order against any Released Party on account of or in connection with or with respect to any Released Claims; (c) creating, perfecting or enforcing any lien (other than any charging lien of a trustee under its respective indenture), claim or encumbrance of any kind against any Released Party on account of or in connection with or with respect to any Released Claims; (d) asserting any right to setoff, subrogation or recoupment of any kind against any obligation due from any Released Party on account of or in connection with or with respect to any Released Claims unless such holder has filed a motion requesting the right to perform such setoff on or before the Confirmation Date, and notwithstanding any indication in a Proof of Claim or Equity Interest or otherwise that such holder asserts, has or intends to preserve any right of setoff pursuant to section 553 of the Bankruptcy Code or otherwise; (e) commencing or continuing in any manner or action or other proceeding of any kind against any Released Party on account of or in connection with or with respect to any Released Claims; and (f) seeking relief or collecting judgments on an Investor-related securities claim in a manner that fails to conform with the terms of the judgment reduction provision set forth in the Plan and the Confirmation Order; provided, that nothing contained herein shall be construed to prevent any entity from objecting to claims or defending against claims objections or collection actions whether by asserting a right of setoff or otherwise to the extent permitted by law. Such injunction shall extend to the successors of the Liquidating Trust, if any, and to their respective properties and interests in property. Any person injured by any willful violation of this injunction shall be entitled to recover actual damages, including costs and attorneys' fees and, in appropriate circumstances, may recover punitive damages from the willful violator.

For the avoidance of doubt, nothing in Article IX.E shall expand or limit the application of this Article IX.I to Claims, Equity Interests, Causes of Action or liabilities against the Debtors or the Liquidating Trust.

J. Waiver of Subrogation

The GMACM Debtors and the RFC Debtors hereby release the ResCap Debtors from any and all liability or responsibility to the GMACM Debtors and the RFC Debtors or any entity claiming through or under the GMACM Debtors and the RFC Debtors by way of subrogation or otherwise, whether known or unknown, asserted or unasserted, derivative or direct, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, whether for tort, fraud, contract, violations of federal or state securities laws, or otherwise, including those subrogated Causes of Action based on avoidance liability under federal or state laws, veil piercing or alterego theories of liability, a theory of debt recharacterization, or equitable subordination liability, arising from or related in any way to the Debtors, including those that any of the Debtors would have been legally entitled to assert against a Released Party in its own right (whether individually or collectively) or that any holder of a Claim or Equity Interest, the Liquidating Trust, or other entity would have been legally entitled to assert on behalf of any of those Debtors or any of their Estates, including those in any way related to the Chapter 11 Cases or the Plan to the fullest extent of the law.

K. Satisfaction and Release of Claims and Equity Interests

The rights afforded herein and the treatment of all Claims and Equity Interests herein shall be in exchange for and in complete satisfaction and release of all Claims of any nature whatsoever, including any interest accrued on such Claims from and after the Petition Date, against the Debtors, the Liquidating Trust, or any of their respective assets or properties arising prior to the Effective Date. Except as otherwise expressly specified in the Plan, after the Effective Date, any holder of such Claim or Equity Interest shall be precluded from asserting against the Debtors, the Liquidating Trust, or any of their respective assets or properties, any other or further Claim based on any document, instrument, act, omission, transaction, or other activity of any kind or nature that occurred before the entry of the Confirmation Order.

L. Judgment Reduction for Co-Defendants in Securities Litigation

A defendant against whom a judgment of a court of competent jurisdiction is obtained (whether in a proceeding now pending or hereafter commenced) on an Investor-related securities claim where such defendant has a claim for indemnity or contribution that is subject to the Third Party Releases shall be entitled to a judgment credit in the underlying litigation in the amount and on the terms that would be available if the Third Party Releases were treated as a bar order in the underlying litigation, in accordance with, and to the extent permitted under, applicable statutory or common law, as determined by a court of competent jurisdiction. (For the avoidance of doubt, a defendant against whom a judgment of a court of competent jurisdiction is obtained (whether in a proceeding now pending or hereafter commenced) on an Investor-related securities claim where such defendant has or had a claim for indemnity or contribution against any Debtor is not precluded from asserting that it is entitled to a judgment credit in the underlying litigation in connection with such claim against the Debtors, and the plaintiff(s) in such action shall have the right to oppose any such request for a judgment credit on any basis, including but not limited to that no such right exists and with reference to Bankruptcy Code section 502(e)). For the avoidance of doubt, judgment reduction in the NJ Carpenters Class Action shall be governed by the terms of the Order and Final Judgment entered by the District Court granting final approval to the NJ Carpenters Settlement. See Docket No. 5354. Notwithstanding the foregoing and without limitation (i) no Ally Released Party shall be deemed to have admitted to such fault by virtue of this provision; (ii) nothing herein shall create any right for a defendant that it does not have under applicable statutory or common law, if any, to obtain discovery from any Ally Released Party, or create an obligation for any Ally Released Party to participate in any proceeding to determine fault that does not exist under applicable statutory or common law, if any, in connection with such claim; and (iii) no finding in any proceeding to determine fault shall create any claim against any Ally Released Party or obligation of any Ally Released Party to satisfy any claim. For the avoidance of doubt, nothing in this Article IX.L affects the Third Party Releases, and all parties' rights under applicable law with respect to discovery and any Ally Released Party's participation in any proceeding to determine fault are preserved.

M. Limitations

For the avoidance of doubt, the releases set forth in this Article IX shall not extend to: (i) any rights, defenses, or counterclaims under any directors & officers or errors & omissions insurance policies sold by any of the Consenting Claimants, the Consenting JSNs, or their affiliates and covering either the Debtors or any of the Ally Released Parties; (ii) any indemnity rights against non-Ally Released Parties arising out of the Kessler Class Action or to any other indemnity right against non-Ally Released Parties arising out of any other claims of Borrowers; specifically, these releases do not extend to any indemnity rights RFC may have against any non-Ally Released Party that is a successor in interest to CBNV and GNBT, including, but not limited to, those indemnity rights extending out of the client contracts between RFC, on the one hand, and either CBNV or GNBT, on the other hand, which incorporate by reference the indemnity provisions of RFC's AlterNet Seller Guide, and (iii) any indemnity rights held by the Debtors' Representatives against Ally arising from Claims not released by this Article IX.

Notwithstanding anything in this Article IX or in the Plan to the contrary, on the Effective Date, the Berkshire APA shall vest in the Liquidating Trust in accordance with the Plan

and the Berkshire Sale Order. The Liquidating Trust shall assume and perform any and all rights, benefits, duties and obligations of the Debtors under the Berkshire APA and the Berkshire Sale Order in accordance with their terms, and such rights, benefits, duties and obligations shall not be deemed to have been released or discharged by the occurrence of the Effective Date, by any provisions of the Plan (including, but not limited to, the provisions of Article IX of the Plan), or otherwise. Nothing in the Plan Documents shall, or shall be deemed or construed to, alter, change, modify or amend the terms and provisions of the Berkshire APA or the rights of the Debtors, the Liquidating Trust, and Berkshire Hathaway Inc. and its Affiliates, subsidiaries, and related entities, as applicable, thereunder, which rights shall continue in full force and effect and be enforceable following the Effective Date in accordance with the terms thereof. For the avoidance of doubt, Berkshire Hathaway Inc., its Affiliates, subsidiaries, and related entities shall not be required to file an Administrative Claim to preserve their rights or Claims arising after the Effective Date from or related to the Berkshire APA.

C. Waiver of Conditions

The Plan Proponents shall have the right to waive one or more of the conditions to Confirmation and Consummation of the Plan set forth in Articles X.A and X.B(b), and (e) through (k), with the consent of Ally and the Consenting Claimants, and, solely with respect to such waivers of the conditions set forth in Article X.B(c) and (d) with the consent of FGIC and the RMBS Trustees, and, solely with respect to such waivers of the conditions set forth in Article X.A(c), (f), (h) and Article X.B(a) and (b) with the consent of the Junior Secured Notes Indenture Trustee, a majority (by amount of holdings) of the Consenting JSNs, and the Ad Hoc Group, at any time without notice, leave, or order of the Bankruptcy Court or any formal action other than proceeding to confirm or consummate the Plan.

D. Effect of Nonoccurrence of Conditions

Each of the conditions to the Effective Date must be satisfied or duly waived, and the Effective Date must occur on or before December 24, 2013. The Plan Proponents will use best efforts for the Plan to become effective by December 19, 2013. If the Effective Date has not occurred on or before December 24, 2013, then upon motion by the Plan Proponents or Ally made before the Effective Date and a hearing, the Confirmation Order may be vacated by the Bankruptcy Court; provided, however, that notwithstanding the Filing of such motion to vacate, the Confirmation Order may not be vacated if the Effective Date occurs before the Bankruptcy Court enters an order granting such motion. Confirmation Order is vacated, then except as provided in any order of the Bankruptcy Court vacating the Confirmation Order, the Plan will be null and void in all respects, including the discharge of Claims and termination of Interests pursuant to the Plan and section 1141 of the Bankruptcy Code and the assumptions, assignments or rejections of Executory Contracts, and nothing contained in the Plan or Disclosure Statement shall: (1) constitute a waiver or release of any Claims, Equity Interests or Causes of Action; (2) prejudice in any manner the rights of any Debtor or any other Entity; or (3) constitute an admission, acknowledgment, offer or undertaking of any sort by such Debtor or any other Entity.

ARTICLE XI.

MODIFICATION, REVOCATION, OR WITHDRAWAL OF THE PLAN

A. Modification and Amendments

Subject to the terms of the Plan Support Agreement, the Plan Proponents may amend, modify, or supplement the Plan pursuant to Bankruptcy Code section 1127(a) at any time prior to the Confirmation Date; provided that the Plan Proponents obtain the consent, which shall not be unreasonably withheld, of (a) the Settling Parties, in accordance with the terms of the Plan Support Agreement; and (b) the Junior Secured Notes Indenture Trustee and a majority (by amount of holdings) of the Consenting JSNs; provided, further, that no Plan modifications may adversely affect the treatment of the Junior Secured Notes Claims or the releases of, or distributions to, the holders of Junior Secured Notes Claims absent the consent of the Junior Secured Notes Indenture Trustee, a majority (by amount of holdings) of the Consenting JSNs, and the Ad Hoc Group; provided, further, that, if the Confirmation Order has not been entered or if the Confirmation Order has been entered and a stay of such order is in effect, the Plan Proponents and Ally may agree to extend the deadline for the Effective Date of the Plan beyond December 24, 2013, with the consent of each of the Consenting Claimants in accordance with the terms of the Plan Support Agreement, with such consent to not be unreasonably withheld: provided, however, that the Plan Proponents and Ally may not extend the deadline for the Effective Date of the Plan beyond December 24, 2013 absent the consent of the Junior Secured Notes Indenture Trustee, a majority (by amount of holdings) of the Consenting JSNs, and Ad Hoc Group. After the Confirmation Date, but prior to Consummation of the Plan, the Plan Proponents may, with the consent, which shall not be unreasonably withheld, of (a) the other Settling Parties, in accordance with the terms of the Plan Support Agreement and (b) the Junior Secured Notes Indenture Trustee, and a majority (by amount of holdings) of the Consenting JSNs, amend, modify, or supplement the Plan without further order of the Bankruptcy Court to remedy any defect or omission or reconcile any inconsistencies in the Plan or the Confirmation Order; provided that no Plan modifications may adversely affect the treatment of the Junior Secured Notes Claims or the releases of, or distributions to, the holders of Junior Secured Notes Claims absent the consent of the Junior Secured Notes Indenture Trustee, a majority (by amount of holdings) of the Consenting JSNs, and the Ad Hoc Group. At all times, the Plan Proponents may amend, modify, or supplement the Plan without the consent of any other Entity to the extent that such amendments, modifications, or supplements are non-material; provided that no Plan modifications may adversely affect the treatment of the Junior Secured Notes Claims or the releases of, or distributions to, the holders of Junior Secured Notes Claims absent the consent of the Junior Secured Notes Indenture Trustee, a majority (by amount of holdings) of the Consenting JSNs, and the Ad Hoc Group. For the avoidance of doubt, no modifications to the Exculpation will discriminate unfairly against any individual Exculpated Party. At any time, at the request of the RMBS Trustees, Art. IV.C.3 of the Plan may be amended as will be required to preserve the REMIC tax status of the RMBS Trusts notwithstanding the distribution of Units to the RMBS Claims Trust under the Plan to the RMBS Claims Trust on behalf of the RMBS Trusts, and such amendment will be deemed non-material.

B. Effect of Confirmation on Modifications

Pursuant to Bankruptcy Code section 1127(a), entry of a Confirmation Order shall mean that all modifications or amendments to the Plan since the solicitation thereof are approved and do not require additional disclosure or re-solicitation under Bankruptcy Rule 3019.

C. Revocation or Withdrawal of the Plan

Subject to the terms of the Plan Support Agreement and conditions to the Effective Date, the Plan Proponents reserve the right to revoke or withdraw the Plan prior to the Confirmation Date and to File subsequent chapter 11 plans. If the Plan Proponents revoke or withdraw the Plan, or if Confirmation or Consummation does not occur, then: (i) the Plan shall be null and void in all respects; (ii) any settlement or compromise embodied in the Plan (including the fixing or limiting to an amount certain of any Claim or Equity Interest or Class of Claims or Equity Interests), assumption or rejection of Executory Contracts or Unexpired Leases effected by the Plan, and any document or agreement executed pursuant to the Plan shall be deemed null and void except as may be set forth in a separate order entered by the Bankruptcy Court; and (iii) nothing contained in the Plan shall constitute a waiver or release of any Claims or Equity Interests or prejudice in any manner the rights of the Plan Proponents, the Settling Parties, or any other Entity, or constitute an admission, acknowledgement, offer, or undertaking of any sort by the Plan Proponents or any other Entity.

ARTICLE XII.
